## Man killed and wife shot; three arrested

A 17-year-old Madison boy and two 15-year-old girls are being held today, charged with the murder of Frank J. Riddle, 59, of 1701 Market St., Madison, and the shooting of Mrs. Riddle in their home at 10 a.m. yesterday.

Mr. Riddle and his wife, Ann, 49, were shot two or three times each during an alleged robbery attempt. Their mongrel dog, "Rusty," also was shot twice and died.

Charged with murder is Angelo Dwayne Baker, 17, of 16 Grenzer Homes, Madison, who was being held today in the Madison city jail awaiting arraignment. His bond is set at \$250,000.

The two juvenile girls, both of Venice, are being held in the

Madison County Juvenile Detention Home at Edwardsville, charged with murder. From statements taken by police yesterday, officers believe three persons went to the Riddle home to rob the couple and entered through an unlocked kitchen door.

The Riddles were at the kitchen table, drinking coffee and one was eating an orange when the three entered, it is believed. Mr. Riddle was fully dressed and Mrs. Riddle was wearing a housecoat.

A scuffle ensued, during which Mr. Riddle is believed to have opened a kitchen drawer containing his .22 caliber revolver.

One of the three then took the gun from Mr. Riddle and shot

the couple's dog, police were told. It is believed Mr. Riddle was shot next and then Mrs. Riddle.

Mr. Riddle suffered two bullet wounds to his abdomen, one near his heart, and there was a third wound where a bullet had passed through his left arm, possibly one of the two found in his abdomen.

Mrs. Riddle suffered bullet wounds to her abdomen which caused damage to internal organs. After the robbers left, she crawled to the telephone and called for help.

Madison police received the call at 10:09 a.m. yesterday, Mrs. Riddle telling them, "There's been a shooting," and telling them the address.

An ambulance and police cars were dispatched. Both victims were found on the kitchen floor bleeding and were taken by ambulance to St. Elizabeth Hospital.

Mr. Riddle was taken immediately into surgery where he died on the operating table. He was pronounced dead at the hospital by Madison County Deputy Coroner Randall Irwin.

Mrs. Riddle was examined at the hospital here and was transferred to Jewish Hospital, St. Louis, where she underwent

surgery. She is listed in satisfactory condition today in the intensive care unit.

Police questioned two boys who said they had been at the Riddle home about 9:20 a.m. yesterday, selling Mr. Riddle two rims from bicycles and Mr. Riddle had paid them \$5. Mr.

## Mass felony drug arrests

More than 30 men were arrested in a series of drug-related felony arrests involving 105 law enforcement officers throughout Madison County early Wednesday. Those arrested included six from the Quad-City area.

The series of arrests was the result of a closed session of a Madison County grand jury one week ago at which about 75 indictments on drug charges were issued. Warrants for the arrests of those named were obtained and held confidential pending the arrests.

Testimony presented to the grand jury was from Metropolitan Enforcement Group of Southwestern Illinois (MEG) officers who alleged making purchases of drugs during a six-month undercover operation.

Gary F. Bossio, MEG director, noted more than \$13,000 was spent on undercover drug purchases, allegedly made from 50 to 60 persons.

Drugs obtained by the agents included heroin, MDA acid, morphine, amphetamine and

## On and off the record Sewer sign-ups urged

A strong appeal is being made by the Madison County Board's Special Sewer Committee for signing of easements by Quad-Cityans in areas to be served by the four-township sanitary sewer project.

Seventy-five per cent state and federal funding has been offered.

Many families have signed but those who have not could affect the routing and overall

cost, Committee Chairman Walter "Dick" Sparks said Wednesday.

He cited this week's disclosure that a \$150 million industrial-commercial development is under active consideration in Chateau Township if the sewer program is carried out.

An editorial on the subject appears on Page 46.

## Cartridge explosion injures boy

David Evanoff, 14, of 200 Briarhaven Drive, Apt. 104, was severely injured when a cartridge he was loading with gunpowder, match heads and caps exploded in his hand at 9:30 p.m. Monday.

He told police he placed about two teaspoons of gunpowder and some caps and match heads into an empty carbon dioxide cartridge he brought home from school.

He was attempting to turn a

screw into the hole at the top of the cartridge when it exploded in his right hand, he said.

His mother took him to St. Elizabeth Hospital, where it was necessary to amputate portions of his thumb and the index and middle fingers of his right hand. He also was treated for multiple puncture wounds to his face and neck.

He underwent surgery late Monday night and was admitted.

## 13th-State stop sign startles many

Motorists were startled this week when they encountered stop signs at the railroad crossing in the 1300 block of State Street, near the Granite City-Madison boundary.

The Illinois Commerce Commission last month ordered the Illinois Terminal Railroad

to install signal lights at the crossing within one year.

The stop signs will be removed once the warning lights are functioning, but concern is being voiced that auto collisions may be triggered during the period when many drivers are unaware of the new stop.

## Weather outlook for this region

Clear to partly cloudy today with high in the low 60s. Clear and cold tonight. Low in the mid-30s. Chance of scattered frost tonight. Sunny and war-

mer Friday with high in mid to upper 60s. Little change Friday through Monday. Lows in the 40s and highs in the 60s.

## Republican friction, Democratic harmony

Nelson Hagnauer, Granite City Township supervisor and chairman of the Madison County Board, was re-elected by acclamation Monday night as chairman of the Madison County Democratic Central Committee.

Re-elected with him as secretary-treasurer of the county committee was Sam W. Wolf, Granite City realtor whose return to that post for another two-year term was questioned by several committeemen on grounds that the office should be held by an elected Democratic committeeman.

Wolf, who has served as secretary-treasurer of the county committee since 1970 and was a precinct committeeman of Precinct 23 for the past 10 years, also was elected by acclamation. Wolf was

## Boy must take shots if dog is not found

A series of anti-rabies shots will have to be administered to a 9-year-old Granite City boy if a dog that bit the youngster last Friday is not found today or tomorrow.

The boy, David Warfield, son of Mr. and Mrs. Glen Warfield, 4000 Sara St., was bitten in the left ear about 5:30 p.m. Friday as he and another boy were walking in the 4000 block of Sara Street across from his home.

A search by police, members of the family and humane officers resulted in picking up two dogs Wednesday that fit the description given by the boy, but young Warfield, who said he

In a meeting marked with factional differences, the Madison County Republican Central Committee Monday night elected Dr. Edward Ragsdale, a Godfrey physician, as chairman, and a slate of other officers who pledged their efforts to a revitalization of the county party organization.

Dr. Ragsdale defeated George Slattery, a Granite City insurance agent and Republican committeeman of Precinct 24, in a series of developments that included the "walkout" of a group of Quad-City area committeemen after an unsuccessful attempt to elect Slattery as treasurer following his defeat as chairman.

The new chairman succeeds Charles O'Neil of Hamel Township who did not seek reelection to the board chairmanship, but who lent his

## Scout tree planting on nature trail Saturday

Cub Scouts, Boy Scouts and Explorers will participate Saturday in a large-scale tree planting which promises to be the scouting program's most extensive activity of the Bicentennial Year.

According to Charles Svobda, Scout Bicentennial chairman, all 1,300 members of the scouting movement in the Quad-City area have been invited to take part in planting 12,000 seedling trees and shrubs along the Madison County Nature and Bicycle Trail.

The boys will convene at 9 a.m. Saturday and will continue to work until 4 p.m. Each scout is asked to provide for himself a small shovel, a coffee can or milk carton for water and a sack lunch.

Scout units will gather at three parking areas, each in the vicinity where planting will take place.

The parking areas are on Lake Drive, between Pontoon Road and Route 162 at the entrance to the trail; on Revelle Drive, parallel to the trail on the east side of Highway 111 and north of Route 162; and the Quality Sand Company, where the trail crosses an area at the rear of Stallings School.

Svobda said it is hoped the planting project will become an annual event for the 1,300 scouts in the Quad-Cities' Unihav District.

"This is the first of many service projects planned by the scouts," he added.

Members of a steering committee, consisting of representatives from five Granite City garden clubs who are helping to develop the trail, will be on hand Saturday to assist the boys, if needed, in planting the trees and shrubs.

## Sheriff warns against minibike use on roads

Madison County Sheriff John Maeras noted Monday that his department is beginning to receive complaints about children operating mini-bikes and small motorcycles on public roads, which is in violation of the law.

"This is a continuing problem which usually starts around this time of year and continues until late fall, he noted.

"While it is not my intention to interfere with anyone's fun, I find I must publicly warn parents and children that the operation of unlicensed vehicles by unlicensed persons on public roads, is strictly forbidden.

"Aside from being unlawful, the safety of the children operating these mini-bikes or motorcycles is in danger. I am, therefore, issuing this warning to all residents of the unincorporated areas, that sheriff's deputies will take legal action against any person found operating mini-bikes or motorcycles in violation of the state law.

"In the case of unlicensed people, my deputies will issue

tickets for driving without a license, and if it is apparent that the parents of the child knew of the operation of the vehicle, those parents will also be issued a traffic ticket for allowing an unauthorized person to drive.

"In most cases, the mini-bikes or motorcycle involved will be confiscated by the sheriff's deputy and ordered towed. It will be necessary for the child or his parents to pay a tow bill and storage bill if they want to reclaim the vehicle.

"Though I am reluctant to take a 'hard line' on this, my department handles too many traffic accidents in which children are hurt because they are operating illegal vehicles or operating vehicles illegally. This policy of arrest and confiscation of the vehicle will continue for as long as the problems continue.

"I suggest to all parents, that if their children have mini-bikes or motorcycles, that they allow those vehicles to be stored only in private areas where they are not in violation of the law," Maeras concluded.

## 3 get prison, jail terms

Three Quad-City area men have been sentenced to prison or jail terms in Madison County Circuit Court at Edwardsville.

Rick Teller, 2105 Troy Ave., Madison, was sentenced to serve five to 15 years in prison for robbery. He pleaded guilty to taking about \$60 from an employee at Jack-In-The-Box Restaurant, 3530 Namecki Road, Dec. 20, 1975. Another robbery count was dismissed by the court.

Gregory Andrews, 19, of 2200 block of Miracle Ave., was sentenced to serve two concurrent prison terms of one to five years each on two charges of burglary. He pleaded guilty

to entering the East Side Terminal Credit Union, 1414 Fifth St., Madison, Dec. 20, 1975, and a vehicle belonging to Robert Jackson, 1725 Delmar Ave., Dec. 28, 1975.

Mark C. Cline, 21, of 62 Parktowne West Mobile Home Park, was sentenced to serve 90 days in the Madison County Jail and to serve two years of probation after pleading guilty to unlawful delivery of cannabis to a Metropolitan Enforcement Group undercover agent Aug. 19, 1975. The agent alleged Cline delivered more than 30 grams of a substance containing cannabis to him.

## Former Madison resident buried

Private funeral services were held Sunday in St. Louis for Henry Evangeloff, 72, Creve Coeur, Mo., formerly of Madison, who died Friday at Normandy Osteopathic Hospital, St. Louis.

Mr. Evangeloff resided here about 35 years before moving to Alton and then to Creve Coeur. Services were at First Presbyterian Church, 7200 Delmar Ave.

## Jesse Holman dies at 61

Jesse Holman, 61, of 3501 Johnson Road, hospitalized at John Cochran Veterans Hospital, St. Louis, for four and a half months, died there at 3 a.m. Monday.

He was born in Nashville, Ill., and resided here many years. Mr. Holman owned and operated the Holman Wholesale Meat Distributing Co. for 25 years. He was a World War II Navy veteran.

Survivors include his wife, Mrs. Pauline Holman; two sons, Thomas and Dennis Holman, both of Granite City; a brother, Kelly Holman of Madison; two sisters, Mrs. John (Edna) Tarasovich of Madison and Mrs. Clarence (Estia) Reidelberger of Decatur, Ill.

Funeral services were held today. Details are given in the obituary column.

## Charge 2 in brutal beating

Two West Granite City men were arrested by Granite City police early Wednesday and are charged with terrorizing a couple and severely beating the man with a rifle and with brass knuckles.

One of those in custody also is charged with aiming a sawed-off rifle at two police officers trying to arrest him.

John E. Ashburn, 22, of 2330 Cayuga St., is charged with armed violence, aggravated battery and two counts of aggravated assault. Ralph E. Thomas, 25, of 2127 Lincoln Ave., is charged with armed violence and aggravated battery.

Lendis Parker, 18, of 2029 Bryan Ave., and his wife, Susan, told police they were sleeping when there was a knock at the front door which awakened them about midnight Tuesday.

Parker said he went to the front door and opened it. He suddenly was struck on the head and knocked against a wall.

Two men entered, one carrying a sawed-off rifle with a barrel about 12 inches long and started to beat him, saying they were going to kill him, it was alleged.

Mrs. Parker said she heard noise in the living room and started to get out of bed when a man with a sawed-off rifle entered the bedroom and ordered her to lie still or he would shoot her.

She said she stayed in the bedroom while both men beat her husband. One man wore brass knuckles during the beating, it was alleged.

Parker suffered multiple injuries after being beaten with the gun, brass knuckles, fists and feet. After the men left, he was taken by ambulance to St. Elizabeth Hospital, where he was admitted.

He suffered multiple abrasions to his chest and back, a cut requiring sutures behind his left ear, and injuries to his forehead, jaw, upper chest and numerous other areas. A series of x-rays was taken.

Police questioned the victim and his wife at the hospital and from descriptions given went to question Ashburn at his mobile home at 3:30 a.m. Wednesday.

One police officer carried a double-barreled shotgun to Ashburn's door and knocked. He said he heard a noise inside and suddenly the front door was kicked open from inside. Ashburn was seen in the doorway pointing a sawed-off .22 caliber rifle, it was asserted.

The officer pointed his shotgun at Ashburn and ordered him to drop the rifle, upon which Ashburn allegedly told the officer, "You put yours down."

After the two pointed guns at each other for a brief time, Ash-

burn turned and ran toward the rear of the mobile home, police reported. He returned moments later without a gun and surrendered.

Officers said there also was a young woman inside the mobile home. They asked her to bring them the rifle and she complied. Officers questioned Ashburn and then went to Thomas' home at 3:55 a.m. He was arrested without incident.

Some committee members reported that O'Neil and his faction upset a planned procedure for Monday night's meeting in the nomination of a candidate for treasurer to oppose Slattery. They said an agreement had been reached between Slattery and Dr. Ragdale, by which the one defeated for chairman would be nominated for treasurer without opposition.

The combined Ragdale and O'Neil forces defeated Gerald B. Cohn of Port Russell Township for first vice-chairman, and then as second vice-chairman. The majority of votes were cast for Robert Hohn of Collinsville as first vice-chairman, and for Donald Emde of Wood River as second vice-chairman.

Following the election of the vice-chairman, Slattery was nominated for treasurer, but the name of Uddell Wehling of Alhambra also was placed in nomination by the O'Neil faction. As a result, Slattery withdrew his nomination and the walkout of Quad-City committee members took place.

In subsequent proceedings, the committee elected Wehling as treasurer and Harriet I. Mulqueeny of Godfrey as secretary.

Following the election, Bob Barton, chairman of the Nameoki-Chouteau District 5, said he will request an audit of the county committee's books in the next regular meeting.

Reorganization of the county GOP committee is expected to result in organization of a slate of candidates for county offices for the November general elections. Only one Republican candidate for county office filed prior to the March 16 primary balloting. He was Hugh Harrison of Venice who seeks the office of coroner.

Other candidacies are still open, but some are expected to be filled by candidates chosen by write-in votes.

The county reorganization meeting followed those of the Granite City Republican Central Committee, and the Nameoki-Chouteau District 5

## Ainad Shrine parade here June 3, circus June 9-11

Potentate Bob Hardy has named Chief Rabban Ralph Green, an attorney, to head the annual Shrine circus for Ainad Temple and Southern Illinois. The sites and dates are: Belleville, Belle-Claire Fairgrounds, June 5-6-7; Granite City, Tri-City Speedway, June 9-10-11.

The local dates are night shows only, while at Belleville the circus will give two shows on Saturday, June 5, three

shows on Sunday, June 6, and one show on Monday, June 7. Evening shows will start at 7:30 p.m.

The two-hour circus program will again be produced by L. N. Fleckles, and he is bringing in new acts.

Headliner Guy Gossing and his 15 royal Bengal tigers is called one of the greatest wild animal acts in the world today. The Zoppes Arabian Riders

have been a feature for years in the circus world and will be in South America next year for the season.

Two large Shrine parades will be seen before the circus comes to town.

The first will be in Granite City on Thursday, June 3, with Tom Hundley and Kelly Hogan serving as chairman and co-chairman.

Belleville on Friday, June 4, with Norm Ackermann as chairman and Steve Kraus as co-chairman.

Ainad Temple is one of 180 Shrine Temples on the North American continent, and is number one in children sent to the St. Louis Shriners Hospital for Crippled Children, based on membership figures and the population of Southern Illinois.

Last year, Ainad sent 219

children to the hospital, and the average has been 206 over the past six years.

Dwain Marshall Gene Morris of DuQuoin will be in charge of the parade presentation in each city, and his co-chairman will be Omer Guard Randy Burton of Granite City.

The circus always has many groups that are supported with tickets from nobles of Ainad called "circus dads." They send their tickets for use by the underprivileged, golden agers, and hospital patients from nearby cities.

Profits from the circus are used to help maintain promotion for the "world's greatest philanthropy," the Shrine Hospitals, plus other charities.

Kiwanis Club boat races

The annual boat races sponsored by the Granite City Kiwanis Club will be the main topic of discussion at a dinner meeting Tuesday night at Charlie's Restaurant.

President Mike Toundas announced the trial runs will be held July 17 and the boat races are set July 19 at Horseshoe Lake.

Boat chairman is William Seebold and Mike Petrosian is chairman of the food committee.

The remainder of the weekly session was spent on preparing the ad book which will be distributed at the races.

The county reorganization meeting followed those of the Granite City Republican Central Committee, and the Nameoki-Chouteau District 5

meeting late last week.

Roger W. Reese, Precinct 16, was elected chairman of the Granite City Committee.

Harold Stallings of Precinct 28 was elected vice-chairman; Mrs. Jean Orr, Precinct 31, secretary; and Andrew Jess Parks, Precinct 13, treasurer. All were elected by acclamation.

George Slattery, Precinct 24, served as temporary chairman and Kurt Glaser of Precinct 6 served as temporary secretary during the election.

Bob Barton, Granite City realtor and Republican committeeman of Precinct 6 in Nameoki Township, was elected chairman of the District 5 committee by acclamation.

Lida Theis of Nameoki Precinct 11 was elected vice-chairman; Olivia Bourbon, Nameoki Precinct 8, secretary; and Mike Nance, Nameoki Precinct 4, treasurer.

Districts 5 of the Republican organization consists of all 11 Nameoki precincts and Precincts 1, 4, 5 and 6 in Chouteau Township.

## Square dancers perform for Colonial residents

The Tadpole Squares and the Checkerboard Squares joined forces again to provide an afternoon's entertainment for residents of Colonial Haven Nursing Home, 3900 Stearns Ave., during the weekend. This show was especially meaningful to the Tadpole Squares, as they presented their first round dance, "Sweet

Georgia Brown," all by themselves. The Tadpole Squares range in age from 4 1/2 to 8 years.

A special treat for the Checkerboard Squares was the return of Jim Taylor, former assistant director of the Checkerboards, from Jefferson City, Mo., to call a dance with the Checkerboards in the show.

An innovation presented was a callers' "round robin" in which Jim Taylor, Ken Buford, Steve Delong and Bob Boyd alternately called and danced in the squares they were calling for.

In the round robin, one caller puts the dancers into a step, and hands the microphone to the next caller for that caller to get the dancers back to their partner.

When the caller relinquishes the microphone, he goes to the square and tags out one of the other callers, who must then go and take his turn at calling.

Mrs. Boyd, "golden age" violinist, again accompanied the group and presented a medley of tunes from the early 1900s. She also provided live music for the Tadpoles to dance to during calls by Jim Taylor and Director Bob Boyd.

At the close of the show, Christine Zimmerman, Gean Barker, Terri Holtgrave, Ronnie Hastings and Bobby Panning distributed candy and books to the residents.

Checkerboards attending were: Steve Dohnal (staff caller), Vincent Dohnal, Alan Lewis, Donald Marcrum, Ray Barker, Frank White, Jeff Gison, Ken Buford (staff caller), Lisa Dohnal, Debbie Miller, Susie Malmridge, Karyn Rogers, Jenise Pingel, Beatrice Gott, Marina Gott, Sherri Marcrum, Lori Derosetti, Christine Zimmerman, Gail Roberson, Sheila Wilkins, Brenda Gott and Betsy Beck.

Tadpoles attending were: Ronnie Hastings, Bryan Dohnal, Frankie Bristol, Gean Barker, Bobby Panning, Tara Converse, Terri Holtgrave, Tracy Jones, Michelle McCallister, Candy Wall, Tami Wall and Robin Fanning. Guest dancers were Cindy Montgomery and Suzanne Moore.

## South Boosters

### hear candidates

Candidates seeking election to the Granite City Board of Education were featured speakers at a meeting Tuesday night of the Granite City Boosters Club at South High School.

Vice-president John Slay presided at the session. He announced the next meeting will be on April 20 in the school's cafeteria. The date of the meeting was changed due to the Easter vacation, he explained.

Candidates speaking at the meeting were Dorothy Phelps, Norman Hall, Delton Groothuis, Dewey Melton and Steven Salich.

## Erin Bayer marks fourth birthday

Mr. and Mrs. Charles F. Bayer, 2814 Dogwood Drive, entertained guests at a party Tuesday in honor of the fourth birthday of their daughter, Erin Bayer.

Disney characters in bright orange and yellow colors decorated the home and table for the noon luncheon. An afternoon of games followed and prizes were awarded to the winners.

Guests present were Shelly Wachter, Christine LeGrand, Julie Simon, Frankie Vivod, J. J. Aleman, Gina Mangiaracino and Kerry Rickert.

During the evening an adult party was held at the Bayer home. Those attending were the honoree's grandparents, Mr. and Mrs. George F. Bayer of Troy and Mrs. Mattie Shackelford, and her godparents, Mr. and Mrs. Harry Peters of Granite City.

## OUTING FOR TROOPS

Brownie Scouts of Troop 806 and Junior Girl Scouts of Troop 1120 enjoyed a matinee performance of the Ice Capades at the St. Louis Arena, accompanied by their leaders, Mrs. Dianne Baker, Mrs. Rosemary Cuhren, Mrs. Carol McNeely and Mrs. Lucy Colbert.

As the children's number began, Brownie Gina Garner and a guest, Laura Baker, were chosen to ride in a kiddie train during the performance.

The Brownies are working on their "S-B" patches, which require participating in an activity with a junior troop. The patches will be presented to the girls at a future meeting.

**Robert McFarland, 41, dies**

Robert Arthur McFarland, 41, a Granite City resident for 33 years until moving to the Edwardsville-Clen Carbon area about two years ago, died suddenly at home at 2:20 a.m. Wednesday.

Mr. McFarland was pronounced dead at his residence, 200 Hillcrest, Route 7, Edwardsville, by Deputy Coroner Walter Lauer. Death was attributed to an apparent heart attack.

According to a family spokesman, Mr. McFarland was believed to be in good health. He had complained of feeling slightly ill before the dinner hour, but after lying down for a brief time reported feeling much better.

A bricklayer for 23 years, working out of Bricklayers Local 65 of Granite City, Mr. McFarland had been employed on area construction projects by many local contracting firms.

Recently, he was named designate-appointee to the Local 65 Board of Trustees, to take effect next month.

Mr. McFarland served with the U.S. Navy from 1957 to 1959. He was an active ham radio operator and was known throughout the area by the call letters-W9YEW.

Surviving are his wife, Mrs. Annette (Seebold) McFarland; two daughters, Lisa, 12, and Cathy, 10, at home; his mother, Mrs. Florence E. McFarland of Edwardsville, formerly of Granite City; and two brothers, William A. McFarland of Granite City and Michael L. McFarland of Edwardsville.

He was preceded in death by his father, William A. McFarland, a Granite City brick contractor. Funeral arrangements are listed in today's obituary column.

**Eagle Park group backs 2 candidates**

The Eagle Park Action Committee (EPAC), a newly organized group of Eagle Park businessmen, residents and persons interested in opening business ventures there, met this week to endorse two candidates for the Venice Board of Education.

Dana Gardner, EPAC president, announced the group has unanimously endorsed the candidacies of incumbent school board members Mrs. Jacquelyn "Jackie" Leatherman and the Rev. Richard E. Bailey in the April 10 Venice School District election.

During the meeting, held in the Eagle Park Improvement Association Hall, Gardner reported the EPAC received its not-for-profit charter March 18

from the State of Illinois. Gardner and Ed L. Salmoud, EPAC registered agent, are urging Eagle Park residents to join with the young men's business group to help the unincorporated area of Eagle Park become a better community in which to live in future years.

Among programs being advocated by the EPAC are: local police and fire protection; improved streets, gutters, curbing, sidewalks, sewage and sanitation facilities; recreational and park areas; community and industrial growth; medical services; youth and senior citizen programs; zoning ordinances; revenue sharing and political representation.

**Pontoon accident**

George Yokley, 50, of 3805 Pontoon Road, was injured when his car and the auto of Mark Cicio, 2580 Waterman Ave., were involved in an accident on Pontoon Road west of Mitchell Avenue at 3 p.m. Monday. Yokley suffered injuries to his neck, shoulders and both arms. X-rays were taken and he was released from St. Elizabeth Hospital.

**STEAL RADIO**

A \$200 citizens' band radio was stolen from the auto of Joseph Tayon, 100 Holiday Mobile Home Park, it was reported last week. Entry was gained by opening the driver's door, possibly with a coat hanger, while the auto was parked at Tayon's home.

The new organization, or those wishing to learn more about its objectives, are invited to call Salmoud, at 451-4717, for information.

**NEWLY REMODELED** offices of Dr. Stanley F. Maer, optometrist, on Garfield Avenue at Nameoki Road. Dr. Maer formerly had an office in downtown Granite City. He has practiced optometry in the Quad-City area since 1947.

**Optometrist remodels office**

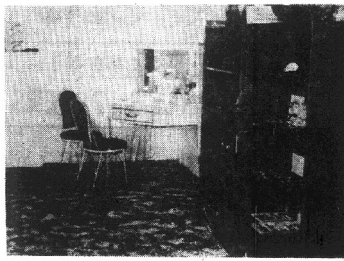

Dr. Stanley F. Maer, optometrist, has completed the remodeling of his new offices at Garfield Avenue and Nameoki Road.

The new suite of offices was designed by Miss Saleta Stewart, internationally known office design consultant and fashion co-ordinator for Tura, Inc., of New York City and London, England.

A motif of gold and charcoal geometric patterns is carried out in all areas except the fashion eyewear selection area which is done in summer green and white with many hanging plants and original art objects.

Along with areas for the evaluation of visual abilities and eye health, special areas are provided for the testing of children's perceptual and developmental skills, and the fitting of both regular and soft contact lenses. There also is a contact lens lounge and training area.

Dr. Maer has practiced optometry in the Quad-Cities area since 1947 when he was discharged from the Army after serving at the Engineer Depot in Granite City. A past president of the Illinois Optometric Association and chairman of the Illinois State Board of Examiners for Optometry, Dr. Maer has been active in many civic and fraternal groups and is currently vice-president of the Tri-City Shrine Club.

**COMFORTABLE DECOR** in the newly remodeled offices of Dr. Stanley F. Maer, including this fashion eyewear selection area in summer greens and whites. Design consultant Saleta Stewart designed the office interior.

# 'Alive' classrooms urged at sessions for teachers

More than 3,400 teachers from St. Clair and Madison Counties "Broadened their horizons and opened their minds to new attitudes and techniques in

education" at teachers' institutes late last week on the campus of Southern Illinois University at Edwardsville.

Teachers were offered 70 optional sessions in addition to numerous exhibits on both floors of the University Center. The exhibits offered information and materials on new methods of education, books, and learning tools, including audio and visual aids.

Highlights of the institutes included speeches by prominent educators, including Howard Seeman, education supervisor and full-time lecturer in effective education, human relations and educational psychology at City University of New York; Donald V. Strong, superintendent of schools of the Arlington Heights public schools in Illinois; and Floyd L. Coppedge, academic dean at the University of Science and Arts of Oklahoma.

Seeman, speaking on the topic, "The Alive Classroom," said education should be a process of "feeling and doing." "Effective education gives a person the action and feeling of word. For example," Seeman said, "how do you teach a child what 'infinity' means?" He explained, "You ask them to spread their hands apart to show how much five (a number they understand) is, and then you ask them to spread them apart further to show how much 100 is, and even farther to show 300 or 500."

Seeman said a teacher should put feelings and actions into a lesson because, when the time comes for the teacher to give the definition, "the light in the head will go on faster."

"Lessons have to be connected with living. When this is done, ways of making, learning,

seeing, feeling and doing get into the stomachs and not just in the heads," he said.

Seeman believes that if children can be made to feel what they've learned, they won't lose their childhoods when they become adults because all the feelings of childhood will "stick with them."

Coppedge, in his talk entitled "Strategies for Dealing with Classroom Problems," focused on student-teacher relationships. He said that if teachers don't have "coping skills" for dealing with students, they can allow themselves to be "put out

of commission."

Coppedge explained that when students are disruptive, teachers often feel the need to give a lecture on "how to act." "Chances are," he said, "the kids already know how to act."

This situation, he added, is an example of teachers confusing the problem with the solution. The teacher delivers a lecture when a lecture isn't needed at all.

Coppedge went on to say that many educators make the mistake of creating big issues out of things that should be ignored. "For example," he said, "a small child who has

been reprimanded may grumble under his breath to save face.

"If the teachers would ignore this, there would be no problem; but if the teacher says 'what did you say?' the child must then repeat it. Therefore, the problem expands."

A group session entitled Truancy Prevention explained to both teachers and attendance officers the different factors involved in truancy. One point emphasized was that truancy not only affects a student's learning capabilities, but also affects a school district's stability.

In the 1974-75 fiscal year, enrollment in Illinois schools decreased but the truancy rate increased. A district is allotted \$2.90 per day per student attending classes.

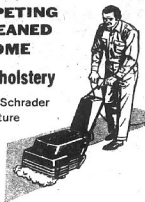

Because of "surplus" absences—more than one day per month per child—Illinois schools lost \$24,096,143 in school aid for 1974-75, it was brought out.

Other sessions focused on such areas as the metric system, reading comprehension, mathematics, art, music, teachers' rights, sexism in schools, retirement system-pensions, counseling, learning disabilities and handicap recognition.

# GC garden clubs help to beautify hike-bike trail

By VALERIE EVENEN

**Press-Record Staff Writer**  
In future years, as area residents stroll or ride along the Madison County Nature and Bicycle Trail their journey will be shaded by Liberty Trees, a symbolic tree from the Revolutionary War being planted this year to commemorate the 200th birthday of the United States.

Quad-Cityans beginning their trek at the Lake Drive entrance in Pontoon Beach, between Pontoon Road and Highway 162, will be greeted by a sign of wrought-iron and white with orange incised lettering, framed by five Russian Olive trees.

Approximately four-by-five feet in size, the sign may be read clearly from either side as one approaches the entrance. A decorative fence leads up to the entrance.

The Russian Olive has been designated as the trail's Liberty Tree. It is a hardy species which withstands drought conditions, the hot summer sun and requires little care.

The initial planning and actual work at the Quad-City's nearest entrance to the Madison County Nature and Bicycle Trail were accomplished by five garden clubs of the Granite City area.

The clubs agreed to sponsor the project more than 18 months ago as a cooperative effort in observance of the Bicentennial Year.

At 10 a.m. Saturday, April 24, the first phase of the project was completed with official dedication and presentation to Madison County and its residents of the cedar sign and landscaped entranceway on Lake Drive.

The dedication date was selected due to its proximity to Arbor Day (April 30).

When the Madison County Parks and Recreation Department first began development of the trail, the Granite City garden clubs offered their help and cooperation to make the venture an asset to the community.

In September 1974, the presidents of five clubs met at the home of Mrs. Charles Kohl in Granite City to evaluate the proposed project. From this group a steering committee was formed, consisting of two representatives from each club.

The delegates chose officers and continued to meet together on a regular basis to plan different aspects of the project.

Meetings also were held with the Madison County Parks and Recreation Committee and Walter Straub, director of parks for Madison County.

Club representatives present at the first meeting who are continuing to work on the trail improvement program, include: Mrs. Kohl, steering committee chairman, and Mrs. Alex Tarpoft, Gardeners Garden Club; Mrs. Thomas King, co-chairman, and Mrs. Robert Miller, Thoroughbred Garden Club; Mrs. Fred Orr, secretary, and Mrs. Richard Branding, Cloverview Garden Club; Mrs. Leonard Cuchna

and Mrs. Charles Hickman, Terrace Lane Garden Club; and Mrs. Wilmer Winter, treasurer, and Mrs. George Stearns, Garden Study Club.

As a result of the meetings, the clubs agreed their joint effort would be their special gift to the community in observance of the Bicentennial Year.

Problems seemed enormous in the beginning and the committee realized that assistance would be necessary in several specific areas.

"They contacted an instructor at the University of Missouri at Columbia and offered to have his students in landscape design submit various plans for signs, entrances and plantings suitable for the Lake Drive site."

From these plans the committee made its final selection and the project was underway.

Meanwhile, working in close cooperation with County Parks Director Straub, the entrance area was cleaned of debris and fill dirt was brought in.

The decorative fence was installed on each side of the entrance, and preparations were made to black top a strip of road to the center of the trail for bicycles.

Along one side of the trail, a wood chip mulch is being spread to create a path for hikers and helps to improve the soil so future plantings can be made to further enhance the trail.

Mrs. Kohl said Illinois Power Company is providing the wood chips.

Undertaking the task of spreading the mulch are Boy Scout Troop 5, led by Pat Busch; Boy Scout Troop 11, Scoutmaster William Downs; and Boy Scout Troop 13, directed by Marvin Wiedmer.

Mrs. Kohl noted the boys have been working on the job for several months and have spread many truck loads of wood chips.

"We are very grateful for the efforts of the boys and their leaders for all they have done and their understanding of what the trail means and will continue to mean to all scouts in this area," she said.

Spurred on by the work of the three troops and the overall interest of the Boy Scout movement in conservation and beautification, a massive planting of 12,000 seedlings is planned from 9 a.m. to 3 p.m. Saturday by Explorers, Boy Scouts and Cub Scouts from the Quad-City area.

In one of the largest Bicentennial activities of the year, the youths will plant their seedlings near the Lake Drive entrance, parallel to the trail on Reveille Lane (east of Highway 111 and north of Highway 162) and close to the Quality Sand Company property at the rear of Stallings School.

Mrs. Kohl said the clubs also are issuing an invitation to any civic organization to consider planting "their" own Liberty Tree along the trail.

To start the Liberty Tree planting, the garden clubs are planting 25 native seedling trees.

"It is our hope at least 200 trees will be planted on the trail this year, one for each year our country has been in existence," Mrs. Kohl stated.

The original Liberty Tree, the giant of a group of elms, was planted in Garret Bourne's yard in Boston in 1646. Later, it was the custom to hold public markets under the canopy of the 120-year-old trees, known as "Hemlock Square" and "the neighborhood of the elms."

When the British Parliament passed the Stamp Act in 1765, the first act of public resistance was the hanging in effigy on the largest elm the newly appointed stamp officers.

Andrew Oliver and its predecessor in Parliament, the Earl of Bute. This was a popular way of expressing disapproval then.

The hangings were tantamount to a threat of violence and the governor and his staff were so alarmed they briefly withdrew to the safety of Castle William in Boston Harbor.

Those responsible for the hangings were members of the Sons of Liberty, an underground organization that also conducted copper plate inscribed.

The Liberty Tree was dedicated by the Sons of Liberty on Feb. 14, 1766, with an attached copper plate inscribed.

"This tree was planted in 1646 and pruned by order of the Sons of Liberty, February 14, 1766."

The tree became a symbol of resistance to British rule throughout the colonies and chapters of the Sons of Liberty planted or dedicated Liberty Trees in each of their own towns.

In 1875, during America's Centennial celebration, commemorative elm trees were planted in many towns throughout the country. In the past 100 years most have died.

Planting of commemorative trees in 1975 is planned under the designation Liberty Trees, so named for the trees under which American patriots secretly met during the Revolutionary period, to symbolize a rededication to America's ideals.

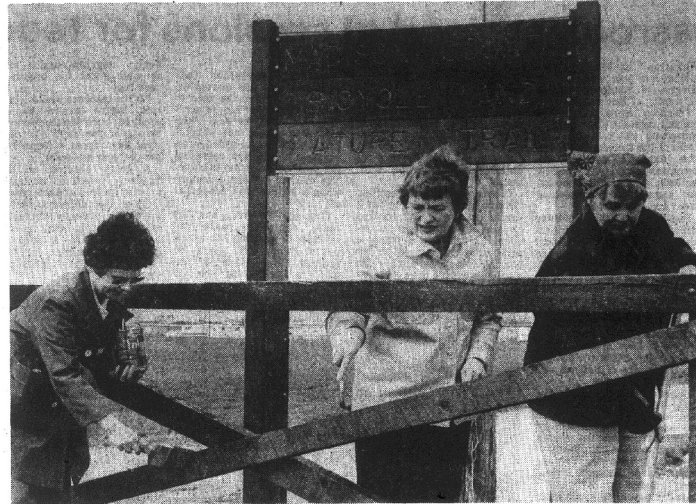

Mrs. Kohl said the garden clubs will be happy to assist any group, or individual with suggestions for planting a Liberty Tree in this area.

The clubs involved in the project do not see it ending when they formally present the sign and plantings on April 24, the steering committee chairman advised.

"We hope to continue to develop this much needed part of our community as our way of relaying the message of love of the land for future generations," she stressed.

"We are especially grateful to the Madison County Parks and Recreation Committee for the cooperation and advice they extended," Mrs. Kohl said. The committee is headed by Louis Whitsell, chairman, and includes Wayne Bridgewater and Anthony Bouch.

**ROUGH CUT CEDAR SIGN** and fencing at the entrance to the Madison County Nature and Bicycle Trail on Lake Drive are weather-proofed by representatives of Granite City garden clubs whose cooperative Bicentennial project is beautifying the local trail entrance by planting Russian Olive trees, to be known as "Liberty Trees," and installing the sign.

Pierce of Illinois Power also were singled out as playing a "key role in the success of the project."

The Madison County Nature and Bicycle Trail, starting at Lake Drive in Pontoon Beach, follows the route of the old Illinois Terminal-Atton Interurban tracks. The county is leasing the abandoned right-of-way for a 10-year period, with option to renew the lease.

The trail parallels the tracks through Stallings to Highway 157 and Interstate 270, where it cuts across 1250 to St. Paul's Evangelical United Church of Christ on the periphery of Southern Illinois

University property. It continues along University Drive, ending at the SIUE Supporting Services Center.

In future years the narrow silver leaves of the Russian Olive trees, planted this year with careful thoughts of tomorrow, will shelter the children and the children's children of those whose dedication and labor are responsible for developing the trail today.

It is a worthwhile endeavor in which all segments of the community should make a contribution.

Working Tuesday, from left to right are Mrs. Thomas King, Thoroughbred Garden Club, Mrs. Charles Kohl, Gardeners Garden Club, who is the project's steering committee chairman. The group's activities on behalf of the trail, which winds through an area bounded by Route 162, Highway 157 and Interstate 270 to the SIUE campus, has spanned an 18-month period.

## FALLS FROM AUTO

Miss Mary Lytle, 20, Edwardsville, was taken to St. Elizabeth Hospital last week with injuries suffered when she fell from a car, she reported.

She suffered small abrasions to her right elbow and injuries to her right arm and head. A series of x-rays was taken and she was admitted for observation.

## MADISON BURGLARY

Burglars broke into the Quad-City Health System offices, 1413A Second St., Madison, and stole a television set, it was reported to Madison police Thursday. The intruder slipped a latch on a door to gain entry.

## Canvass shows 48,665 votes election day

A total of 48,665 Madison Countyans voted in the March 16 primary election, a final canvass of the ballots, completed Thursday, showed, according to the County Canvass Board.

Of those who voted, 39,865, or nearly 82 per cent, voted on the Democratic ballot while 8,790 cast Republican ballots, County Clerk Evelyn Bowles, who also is a member of the canvass board, announced.

In the race for three regional school trustee posts, the three unopposed candidates were easily elected. A total of 46,958 votes were cast on the separate school trustees paper ballot, the canvass showed.

Howe A. Huber of Granite City received the highest number of votes with 34,850, Gordon Burroughs received 33,574 votes and Joseph N. Berry tallied 33,443. Voters could vote for up to three candidates in that race.

## Registration for April 10 school voting

A series of special registration periods for new voters who wish to ballot in the April 10 school board elections is being conducted in the Quad-City area by deputy registrars of Madison County Clerk Evelyn Bowles.

Two registration centers are open today, one until 5 p.m. at National Food Store, Nameoki Road and Madison Avenue, and the other until 7 p.m. at the Madison City Hall.

Other registration centers include the Venice City Hall, noon to 7 p.m. Friday, and American National Bank, 4 p.m. to 7 p.m. Friday.

Also the A&P Store, 20th Street and Madison Avenue, from noon to 5 p.m. Thursday, April 8.

There are no chemical contaminants in fish in Horseshoe Lake, according to laboratory tests of fish samples taken by the Illinois State Department of Conservation, it was reported Tuesday.

William Nichols, a landowner and resident of the lake area, said he received a report from Rudy Steinauer, biologist of the conservation department, noting that there are no polychlorinated biphenyls in Horseshoe Lake fish and only "very minute" particles of

dieldrin. Fish samples were taken from Horseshoe Lake early in March after the Federal Drug Administration warned that a number of lakes through the Midwest contained fish, particularly carp, that were contaminated with polychlorinated biphenyls in quantities exceeding the five parts in a million allowed by FDA standards.

FDA officials said that fish taken from such lakes should not be eaten. Polychlorinated

biphenyls is a chemical resulting from certain industrial wastes and are believed to have been brought into midwestern lakes in carp taken from the Green Bay area of Lake Michigan for restocking purposes.

Nichols said the report also said that fish in Horseshoe Lake contain only "very small" indications of dieldrin, a chemical in a pesticide used on farms.

## Journalists will honor Cong. Price

About 150 newspaper publishers and staff members are expected to attend the 90th annual spring meeting of the Southern Illinois Editorial Association tonight and tomorrow at Southern Illinois University at Carbondale.

Highlights of the meeting will be presentation of contest awards and a joint SIEA-SIUC Journalism Students Association banquet.

Six representatives of the state's oldest newspapers will be at the Ramada Inn tonight to discuss the histories of their papers. Friday's events will be at the SIUC Student Center auditorium and ballrooms. The program includes a discussion of offset systems, a panel seminar on the dollar value of newspapers, a talk on the Western advertising program and displays by printing equipment firms.

Robert Bliss, veteran editor of the Hillsboro and Montgomery County News, and Congressman Melvin Price of East St. Louis, a former newspaper reporter, will receive the Arthur D. Jenkins Award at a noon luncheon tomorrow. Jenkins, former Mascoutah publisher and head of his own printing company there, will make the presentation. Price will be unable to attend because of legislative business in Washington but will accept the plaque at a meeting Saturday in Belleville.

Gloria Anderson, features editor of the Charlotte, N.C. Observer, will speak Friday night at the Journalism banquet, and George Brown, director of the School of Journalism, will preside.

The School of Journalism's "golden anniversary" awards to master editors and SIEA and Oldham Paisley Fund scholarships to SIUC Journalism students will be presented at the banquet. A former Journalism student will receive the Journalism Alumni of the Year Award.

KAPPA DELTA SPEAKER

Kappa Delta Psi, an honor society in education, will hold its regular meeting on Sunday, April 4, at 4 p.m. in the auditorium of the SIUC Lowrey Library. Charles P. Folan will speak on "Positive Attitude Toward Learning Works."

## Mock convention by South students votes own presidential preferences

**PLATFORM PRESENTATION.** Jane Friederich, a student at GCHS South, delivers the Democratic party's platform speech to state delegates during a mock national presidential nominating convention held at South High. Jimmy Carter led the party's candidates, receiving 89 votes. Sen. Hubert H. Humphrey, a "favorite son" candidate, got 74 votes. Gov. George Wallace 14, Sen. Henry Jackson 11 and Cong. Morris Udall eight.

## Register citizen band equipment free Sunday

A series of registration sessions for owners of citizen band radio equipment is planned, starting Sunday, by members of the Civil Defense Emergency Radio Team (CBERT).

The registration program, offered without charge, is being sponsored jointly by the Granite City Police Department and the Granite City Emergency and Disaster Services (Civil Defense).

Members of the CBERT squad will mark, identify and log the equipment from 10 a.m. until 6 p.m. Sunday and during the same hours on three of four successive Sundays, excluding holidays, in front of the City Hall on Niedringhaus Avenue.

Any area CB radio owner is invited to take advantage of the equipment registration program, according to CBERT officers.

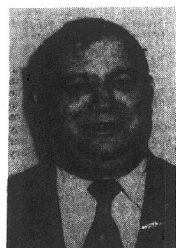

Channel 8, it was announced. Theft of CB radios from vehicles is currently at an all-time high, the sponsors reported. A permanent and current list of all registered CB owners and their equipment will be available for immediate use by the police department.

### Burglary charged

Gary Wayne Hyden, 203 Granville St., Venice, has been charged in an informational document signed by Madison County State's Attorney Nicholas G. Byron with burglary.

He allegedly burglarized the home of William Alexander, Edwardsville, Jan. 18. Hyden's bond was set at \$10,000 and he was released after posting \$1,000 cash.

While presidential aspirants are busy campaigning across the nation for 1976 elections, a mock national nominating convention conducted by a social studies club of Granite City High School South has selected Republican and Democratic presidential preferences for this year's November national election.

The joint Republican-Democratic convention Monday afternoon, presided over by the club's president, Susan Wofford, highlighted presentation of each party's platform to "delegates" representing every state in the union before actual vote casting began.

Danny Bowers, acting as a Republican committee chairman from Minnesota, outlined his party's views concerning foreign policy, welfare, crime, busing, the nation's economic situation and other issues.

"We intend to resist Soviet activities—such as its participation in Angola through the use of Cuban troops—by standing up to the Soviets on global issues," he said.

"In the meantime," he continued, "we will work toward a new disarmament agreement with the Russians and also continue to strive toward improved relations with China and Egypt."

The Republican spokesman stressed the importance of providing welfare benefits while accelerating efforts to eliminate welfare cheaters.

On the issue of crime, he said, "The party stands resolved that the death penalty should be reinstated, and that mandatory penalties for crimes committed with the use of guns should be established."

He also said that the party has called for quality education to be enhanced through a lower pupil-to-teacher ratio and improvement of school facilities.

A call for votes from delegates by Miss Wofford resulted in President Gerald Ford winning the Republican nomination with 137 votes as compared to Ronald Reagan's 62.

"Illinois delegates" cast seven votes for Ford and three for Reagan. Missouri cast all of its five votes for Reagan, and the state of Pennsylvania gave its nine votes to Ford.

Four candidates were vying for the mock Democratic presidential nomination — Jimmy Carter, George Wallace, Henry Jackson and Morris Udall.

Democratic Chairman Jane Friederich told the delegates, "Peace should be the first concern of all governments, as it is the prayer of all men. But we will increase this country's national defense spending to insure strong and superior weaponry as a means to defend the nation."

She said the party believes the United States should be the leader in space exploration and conquest, and that the United States should utilize its experience and knowledge in seeking freedom and peace for all nations.

Miss Friederich predicted that a Democratic president would attempt to implement his party's policy of increasing federal spending on education and expanding programs for health services, especially for the elderly and veterans.

Citing full employment as a priority objective of the party, she said, "We will continue expansion of the economy toward its potential, without a recession, with continued stability, and with an extension of the benefits of this growth and prosperity to those who have not fully shared in them."

trust laws, were given as goals of the party.

On farming, Miss Friederich stated a policy of striving toward higher income for farm families, lower prices for consumers and lower costs to the government.

"The goal of our housing program," she continued, "is a decent home for every American family."

"We also want to increase educational opportunities for our young people while in the process of pressing the war against narcotics."

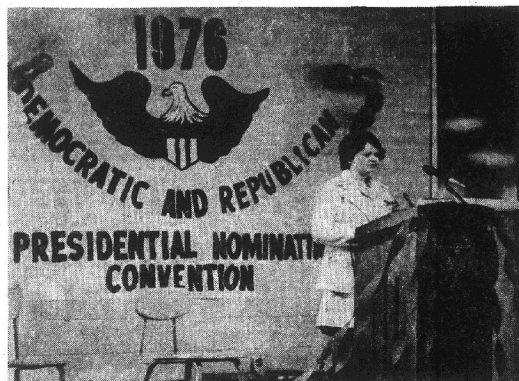

On issues of abortion, busing and amnesty, the party was described as backing decisions handed down by the nation's courts.

Carter won the "Democratic nomination" with 89 votes, but the convention nearly ended with Hubert H. Humphrey taking the nomination after his name was submitted by "delegates from Minnesota" as a "favorite son" candidate.

Humphrey collected 74 delegate votes. Wallace received 14 votes, Jackson 11 and Udall eight.

Mock Illinois delegates cast seven votes for Carter and one for Humphrey. "Pennsylvania" gave eight of its votes to Humphrey and two to Carter.

Humphrey carried his home state, receiving all three votes. "Four years ago," said Phil Shatto, a history instructor at the school, "we came up with the names of Richard Nixon and Wallace on the November ballot."

## Services held for Brice McConnell

Funeral services were held at 10 a.m. Wednesday in San Diego, Calif., for Brice McConnell, 78, of San Diego, formerly of Granite City. He died Sunday in California. Mr. McConnell and his family operated a store at West 23rd Street and Illinois Avenue during the early 1940's and moved to San Diego in 1945. Survivors include a son Eugene McConnell and two daughters, Mrs. Imogene Scullen and Mrs. Sarah Covena, all of San Diego.

## HOME BURGLARIZED

Sandra Wells, 1907 Fourth St., Madison, returned home last week to find the front door had been kicked in and the stereo had been stolen from the home of her parents. She went to a neighbor's home to call Madison County sheriff's deputies who searched the home, finding no one inside. Also stolen were two cases containing about 20 tape recordings. The total loss was valued at about \$50.

## Cost cutting by Ill. Bell Telephone Co. during year

Illinois Bell Telephone Co. battled inflation and reduced demand for telephone service with stringent cost-cutting programs during 1975, according to the company's annual report.

Even with these efforts, earnings dropped during 1975 and President James E. Olson said he is concerned about the company's ability to continue to attract the dollars needed to maintain quality service.

Olson said in the report that Illinois Bell tackled inflation that reached double-digit levels early in 1975 by redoubling its efforts in one of the most rigorous cost-cutting programs in the company's history.

It countered the drop in demand for telephone service, he added, with a reduction of nearly 1,600 employees, achieved entirely through attrition. Layoffs were avoided by rearrangement of job assignments and vacation schedules and by strong efforts in promoting premium services to strengthen revenues.

In spite of these efforts, earnings declined during 1975, slipping to \$2.72 from \$2.91 per share in 1974. Olson noted that to extend and improve telephone service, the company had to spend \$448 million during 1975, and will probably have to spend another \$456 million this year. Much of this money has to be attracted from investors, he added.

He termed "totally unrealistic" a Feb. 4 Illinois Commerce Commission decision granting Illinois Bell 37 per cent of a general rate increase.

Olson said the rate request was necessary to meet "rising costs and permit a rate of return sufficient to assure a continued high level of service to our customers."

"A five per cent rate increase cannot undo the damage of inflation-caused cost rises of 20 per cent in the two years since our last rate increase," Olson said. "We are concerned about our ability to sustain our construction program in the face of these facts."

He said the company may be forced to file another rate request. "Nobody wants higher prices. But I believe realistic rate increases are far, far better than letting service suffer," he said.

A barometer of demand for basic service is growth in mail-order business (excluding extensions), which totaled 65,000—14 per cent below the company's average annual growth rate for the past decade.

Operating expenses increased nearly twice as much as revenues. Expenses rose \$122 million to \$1,014,000,000—a 13.8 per cent increase over 1974 despite tight management expense controls and a reduced work force, he said. Total employee compensation rose to \$763,382,481 in 1975, a 12 per cent rise over 1974.

Operating revenues for the year were \$1,629,700,000—growth of only 7.3 per cent despite additional business gained when the company in January acquired the Belleville, East St. Louis and Granite City areas from Southwestern Bell. The growth is down from 1974's growth rate of 11.8 per cent.

Long distance calling was at its slowest growth rate in 15 years. The company handled slightly over 12 billion local and toll calls in 1975.

The company's taxes totaled \$443 million, including \$344 million in operating taxes and \$98 million in federal excise taxes collected from customers and turned over to the government.

In addition to spending \$215 million to keep up service capacity, Illinois Bell spent \$64 million to modernize facilities for greater efficiency and to fight inflation. This, Olson noted, "helps us fight rising costs and keep our rates at reasonable levels."

Another \$167 million was required to replace worn-out equipment, relocate facilities and handle customer movement.

Among the efficiency projects—Completion of a six-year program to introduce a computerized customer records information system.

Computer directory assistance microfilm equipment in 11 locations.

Opening of a fourth Zero-Plus Calling System in the Chicago-Suburban area, which speeds operator-assisted long distance calls and improves efficiency through reduced operating costs. Two more systems have been approved which will provide Zero-Plus calling to all Illinois Bell customers by 1980.

Emergency services were expanded; 22,000 coin phones were converted to "Dial Tone First" operation, allowing a caller to reach an operator without a coin.

Olson noted that four out of five of the company's 85,000 coin phones now have this capacity. And the telephone company helped five more communities to install "911" service, enabling citizens to reach fire, police and other emergency services by dialing that number.

Sixteen Illinois Bell-served communities now have this service, Olson noted, with Peoria added early this year and Chicago scheduled to convert later in 1976.

The company installed seven new Electronic Switching Units, six of them to replace older electro-mechanical offices. Included was the main Granite City exchange.

Nearly 1.5 million phones in Bell territory are now served by electronic switching equipment. Olson also reported progress in several other areas:

1. Encouragement of purchases from more than 200 minority-owned firms during the year, the dollar value rising 40 per cent to nearly \$3 million.

2. Substantial progress toward affirmative action goals in advancing women and minorities. By year-end, 1,709 Illinois Bell women were in jobs traditionally performed by men.

3. The number of women and minorities in management ranks increased—36 per cent at Illinois Bell managers were women and eight per cent were minority group members.

**Air Force enlistee**  
Glenn Binkley, son of Mrs. Virginia Knipping of Granite City, joined the U.S. Air Force Tuesday in ceremonies held in St. Louis. Shortly after the ceremonies, Airman Binkley left for Lackland AFB, Tex. for six weeks of basic military training.

Upon completion of this training he will attend a technical school from 13 to 15 weeks for training in the Aircraft Maintenance Field, which is his choice.

Airman Binkley is a 1974 graduate from Granite City High School South. For more information about the Air Force, Quad-Cityans may call Sgt. Mike Kimberlain at 1204 Niedringhaus Ave. or phone the area.

# Exhibits by Illinois at Philadelphia exposition during nation's 100th birthday a century ago

Preparations for the nation's Centennial claimed more statewide attention in Illinois during April a hundred years ago than any other subject.

Not only were plans being made for sending a variety of exhibits to the Philadelphia

Exposition, but many cities and towns were also organizing their own special Fourth of July celebrations.

The month had the traditional Easter observances and a great amount of political activity. The year was also one of worse-

than-usual flooding along the Mississippi River, according to a check of century-ago newspaper files in the Illinois State Historical Library.

The Philadelphia Exposition was scheduled to open on May 10, with "grand ceremonies on

the grounds on July 4." The closing date for exhibits was April 10, and the exposition was to end on Nov. 10.

In an abbreviated "Centennial calendar," the Rock Island Daily Union listed the dates for judging of livestock

and farm implements as well as parades and meetings of a variety of fraternal organizations. There were to be several yacht races and an "international series of cricket matches," June and September.

A Cairo Bulletin reporter visited the Exposition grounds on April 20 and found that the Illinois building on State Avenue "had all the framework up" and that, while many buildings were completed, ground had not yet been broken

for a few. Illinois' exhibits, according to Springfield's Illinois State Journal, were to display "almost every species of the product of the soil of Illinois, including several packages of our famous soil itself."

A few of the "products of the soil" were "honey, corn flour, grits, spring and winter wheat, corn, barley, oats, rye and other grains; vegetables of all kinds; mustard, cider, wine and sugar; samples of all kinds of native woods, fruits, clay and coal products, and others decidedly too numerous to mention."

The State Journal also described in great detail the Climax Corn Planter the Springfield Manufacturing Co. was sending to Philadelphia. And the Rock Island Union told of plows being sent by the Rock Island Plow Works, the Moline Plow Co. and Deere & Co. The plows, the paper noted, "are beauties."

A large part of Illinois' exhibit was to consist of materials from the state's schools gathered by Samuel M. Etter, superintendent of public instruction. He had shipped two carloads. "One consists of examination papers and other specimens of school work, and the other of school room furniture made by students of the university."

These parts of the exhibit irritated the Cairo Bulletin, which commented in part, "In Philadelphia they will excite only surprise—surprise that any sane man could imagine that such a mass of 'stuff' would command the attention of wonder-hunters—surprise that it should be assigned a place under the roof of the Exhibition building."

While the papers were publishing news and comments about the Centennial throughout the month, Easter was mentioned only on that weekend and then in varying amounts of space.

The Rock Island and Springfield papers described the religious services briefly, but the Chicago Inter-Ocean devoted more than a page and a half of small type to the church decorations and services and even included the texts of several sermons.

Several papers called the Mississippi River flood of 1876 the worst in 50 years. The Rock Island area seemed to escape serious damage, but four miles north of Quincy the river was said to be 20 miles wide—15 miles of which were on the Illinois side.

From that point south, miles of railroad track were washed out and farms were flooded. A span of the bridge to Hannibal, Mo., was washed out when struck by the steamer Dictator and a barge; ten lives were lost. The levee at Cairo broke but further damage was averted by cutting sycamore trees, tying them to the bank and then sinking two old barges in the break.

## Recital tonight by Stephen Hall

Stephen Hall, 2406 Edison Ave., Granite City, will be presented in his senior recital tonight at 8:15 in the SIUE Lowmyer Library auditorium. Hall, a student of the clarinet, will be assisted by Mary Kathryn Davis at the piano. The program will open with Concerto No. 2 in E-Flat, Opus 74 by Carl Maria Von Weber and continue with Three Pieces for Clarinet Solo by Igor Stravinsky.

Following the intermission, Hall will perform Sonata in E-Flat, Opus 120 by Johannes Brahms.

Luke 19:40 "And he answered and said unto them, 'If thou thinkest these things, peace, the stones would immediately cry out.'"

I am excited! I have seen God declare to us today that He is the same, yesterday, and today, and forever. In Jesus' day the Jews were looking for a Messiah who would free them from the Romans. But God by healing the sick, raising the dead, and casting out devils, I have seen sinners saved, drug addicts set free, rebellious children become submissive, passions curbed, and lives that were broken mended again in an instant of time.

Can we help but rejoice if we don't let the stones cry out? Count your blessings, folks, and see if you cannot praise Him. Today!

# Steelers steal game in ninth

Catch Bob Stegemeyer's North High School baseball team ended its extra-inning game here with Wood River Tuesday afternoon aided by Larry Schleicher's timely hitting and aggressive base running.

Mike Germanceri pitched the decisive ninth inning of the 4-3 contest and picked up his second victory in the Steelers' 2-2 season, after previously stopping Roxana in seven innings.

Chris Page, Tuesday's starter for North, gave up no earned runs, but four errors by his team helped the visitors tally once in the first and twice in the fifth.

In a big second inning, Gary

Meyer and Steve Morris walked, Schleicher singled to drive in a run and Richard Schmidt delivered a two-run double. Jody Fallon's single failed to bring Schmidt farther than third base.

Two Steelers had been retired in the last of the ninth before Schleicher singled.

When the runner then sought to steal second base, the catcher's throw bounded to the shortstop area and Schleicher outran the enemy infielders to reach third base. Schmidt then broke up the game with a single. North outlasted Wood River 4-3. The Oilers committed one error.

Page was impressive, fanning five batters and walking one.

## Young Warrior track squad

With just three returning track and field lettermen, GCHS South Coach Don Miller sees the start of a two-year rebuilding program.

He believes the school has a talented field of freshmen and sophomores likely to improve rapidly. Balancing them is the maturity of Seniors Doug Hartman, Joe Ward and Frank Holmes, plus others.

Hartman handles shot put and discus duties.

Sophomores scheduled for extensive duty are Steve Watson and Cliff Moran, pole vault, and Terry Angle, discus and shot. Freshman Jay Heubner also will throw the discus and put the shot.

Miller adds, "We have a good combination of sprint and distance runners," including a two-mile relay squad consisting of Seniors Holmes, Don Meagher, Mike Cothern and Ward.

Meagher and Cothern were members of last fall's cross-country team, and Holmes is fresh from basketball. Ward was one of the school's ball carriers in football.

Holmes and Ward also will see action in dashes.

"Ward ran the 440 in 51.9 seconds indoors at Western Illinois University," notes Miller, "and we look for him to better that time as the season progresses."

## Three park softball supervisors sought

The Granite City Park District is accepting applications from park district residents to fill three positions as softball program supervisors—one each at the Wilson, Worthen and West Granite Parks, reports Harold Brown, director of parks and recreation.

Brown notes that applicants selected will be required to serve from May 3 through Sept. 6, and will be asked to keep records of all games assigned to their park, as well as rescheduling games when necessary.

Applicants must be at least 20 years old and have had at least four years of experience in a softball program.

Interested persons are to submit applications at the Wilson Park office, Benton and Oregon Streets, between 9 a.m. and 5 p.m. on weekdays. Further information may be obtained by contacting Brown at 877-3059.

## Mile relay key to Steeler track win

A dramatic finish made victory sweeter here Tuesday for Coach Harry Lang's North High School track squad, 75-70 victor over Edwardsville.

The meet was tied 70-70 as the final event, the mile relay, began. Greg Stout, David Kwiatkowski, David Peters and Bruce Jaleff sprinted home first to provide the winning margin.

Fred Jaleff succeeded at everything he tried, winning the 100-yard dash in 18.3 seconds, the 220-yard dash in 34 seconds, the long jump in 20 feet, three inches, and the triple jump with his mark of 43 feet, three and a

half inches, a new North High record. The triple jump distance was rated as one of the best in this region so far in 1976. Double winner David Kwiatkowski captured two hurdles races as well as participating in the successful mile relay quartet. He finished the 120-yard high hurdles in 15.3 seconds and the 338-yard intermediates in 43-1.

Mike Baker also had a winning touch, running the half-mile in 2:04 and the mile in 4:41. Also finishing first were John Braccamonte, 10:48 two-mile, and Keith Atkins, 12:21 discus throw.

## North net team experienced

GCHS North's tennis team opens its 1976 season today at Edwardsville with players Coach John VanBuskirk believes have the potentials to make the Steeler squad one of the most competitive since the school opened in 1973.

"Of the 14 players we have selected to compete for starting positions," notes VanBuskirk, "six are experienced lettermen. Returning to the courts this season are Seniors Dave Haldeman, Dave Weissenborn, Dave Gaudette and Gary Eaker, and Juniors Larry Miller and Rodney Wortham."

"Haldeman will lead our singles for a third straight season," says the coach, "and if he continues his steady improvement this season, he has a good chance of becoming the first Steeler to reach the state tennis finals."

Eaker also is slated for singles duty and will team with Haldeman in doubles competition.

"They make a fine doubles team," says VanBuskirk. "They have quick movements and anticipate each other's moves well."

Weissenborn and Gaudette will form another doubles team, and a third doubles duo is to be designated.

Miller, Wortham and Junior Kevin Marcus are among those vying for doubles spots, and all three are potential singles players.

"We have seven sophomores attempting to earn a starting spot on the team," says the coach. "We have depth and strength."

Sophomores trying out for the

team are Mike Sherman, Mike Miller, Dean Rochester, Roy Meyenburg, Mark Maynard, Russ Cochran and Bob Conreux.

VanBuskirk, a 1969 graduate of Granite City High School, was a state singles qualifier in each of his sophomore, junior and senior years and took third place in the state as a junior.

"Other than district competition," he said, "Champaign Centennial and Central should be our strongest foes—along with almost any other school in an area where tennis can be played year-round due to availability of indoor facilities."

## Schleicher honored

Larry Schleicher, most valuable player on the 1975 GCHS North football team, has been chosen to play as a linebacker for the West team in the second annual Illinois Coaches Association-Shriners all-star football game Aug. 7 at Illinois State University in Normal.

## NOW OPEN ... COMPLETE AUTO SERVICE DEPARTMENT

## Kinloch telephones recalled

(27th of a Bicentennial year Press-Record series)  
Some Quad-Cityans can still recall when there were competing telephone services here — Kinloch and Bell.

An early photograph shows a pioneer telephone switchboard in Granite City being operated by Gordon Harris, manager, and Mrs. J. B. Judd, operator. A. F. Ruwisch, dealer in "farm implements and auto trucks," could be reached at Kinloch 255-L in 1915.

Edw. C. Stoltz Plumbing Co., offering heating, gas fitting and sewer work, saw the need for access to both phone lines. It could be called at either Kinloch 57-R or the Bell number, Tri-City 68.

Also in 1915, extension phones were being advertised by the Southwestern Telegraph and Telephone Co. Its resident agent was Forrest Haynes, who had an office on Niedringhaus Avenue.

Tri-City exchange numbers later became Triangle and then were converted entirely to digits.

This community was transferred in the mid-1970s from Southwestern Bell Telephone Co. to Illinois Bell, headquartered in Chicago.

The introduction in the 1870s of instant communications via the telephone was revolutionary in its eventual impact, but the reception of the new instrument was often lukewarm at best.

In October 1877, the Chicago Times printed, "The Dangers which Lurk in an Apparently Harmless and Useful Invention Pointed out."

The writer warned: "If any telephonic miscreant connects a telephone with one of the countless telegraphic wires that pass over the roofs of this city there will be an immediate end of all privacy."

"An invention which thus mentally makes silence the sole condition of safety cannot too severely be denounced."

"And while violence even in self-defense is always to be deprecated, there can be little doubt that the death of the inventors and manufacturers of the telephone would do much toward creating that feeling of confidence which financiers tell us must precede any revival of business."

Illinoisans continued to install the "notorious instrument."

In November 1877, Grier and Co. of Peoria placed the city's first business phone, connecting their office with the union elevator.

They paid M. M. Buck and Co. of St. Louis, western manufacturers of the Bell Telephone, \$50 per year rental.

When the first call was made, "The gentlemen in the elevator...whistled and sang the Battlecry of Freedom."

There wasn't a dry eye in the entire Board of Trade building when the music was finished."

## Manpower program in jeopardy

Cutbacks in the Manpower employment program March 15 have been only the first sign of a severe financial crunch in the Manpower program as officials now are predicting the program may have to "close down" completely for at least two weeks next month due to a lack of funds.

Dan Churovich, director of the Madison County Manpower office, told the Press-Record Monday that present estimates of funds remaining indicate the Manpower program will run out of money in the first or second week of June, and little hope of assistance before July 1 is in sight.

Manpower finances employment for about 1,384 persons in training programs and work programs throughout the county. Among the Quad-City area units assisted by Manpower employees are the cities of Granite City, Madison, Venice and the village of Ponton Beach, the local levee districts, and all local area police and fire departments.

Churovich predicted a grim future for the Manpower program, noting that the slow recovery in the country's employment level as a sign fewer and fewer federally-funded jobs are needed.

He said President Gerald Ford's new budget suggests a level of funding for Manpower which would cut in half the number of jobs the Madison County office could fund, according to local estimates.

Even if President Ford's proposal is adopted, that level of funding for Manpower would not be available before Oct. 1.

The federal government is extending this fiscal year (from July 1 cutoff to October 1), which will require supplemental appropriations to keep programs, including Manpower, operating in the interim.

Only one of the three programs funded under the Comprehensive Employment and Training Act (CETA) has yet been funded for the interim, the Title I training act.

Title I presently trains about 1,000 persons and pays minimum wages during the training program. Much of Title I is devoted to training youth, work experience for youth and summer work experience for youth.

New federal funding will enable that program to continue at about its present level through Oct. 1, when the new federal budget will take effect.

The Title II CETA and Title VI CETA programs have not yet been funded for the interim period and President Ford has indicated to the National Association of Counties Organization (NACO) that he is not in favor of pending legislation to fund these programs from July 1 to Oct. 1, and may veto such appropriations.

Title II presently employs 54 persons and is the original Manpower program.

Title II is the emergency employment program which began in January and has been a "rocky road" since that time.

The federal government plans to eliminate the program by Sept. 30, 1977, and to drastically cut the program in the meantime.

Federal demands for higher employment levels in the Title VI program — which came without matching funds — caused the program to be "overpopulated," thus necessitating a cutback on March 15, Churovich explained.

Nearly 500 persons were employed by Title VI when it became necessary March 15 to dismiss 94 employees and to cut all others back to 30 hours per week, rather than the former 40 hours.

Since that time, some Manpower employees have resigned to find other employment or have been picked up by the cities or other units they served.

Title VI presently employs about 330 persons on a 30-hour work week, all of whom will be "out of work" in early June unless new funds are made available.

Churovich noted, "There are a couple of bills floating around Washington to fund this period, but it seems unlikely any of them will be successful."

After July 1, Title II and Title VI employees will remain at the mercy of Washington's funding levels and Churovich predicts drastic cuts, continuing through the new fiscal year beginning Oct. 1.

"It is impossible to make any definite predictions what will happen after July 1, until we see at what level Congress is going to fund the program, but I think it is fair to say we are seeing the Manpower program phased out," Churovich noted.

Granite City Mayor Paul Schuler and Fire Chief Don Parente have been among those who predicted the ending or cutting of Manpower will impose a financial hardship on governments in the Quad-City area.

Pontoon Beach Chief of Police Rosewell Bennett summarized the effect of Manpower's possible discontinuation on his department, saying, "It would wreck our program."

Bennett, his five policemen hired by the village, including himself, and has four Manpower employees, including three policemen.

"We had to do without the Manpower employees once before and it made shambles of our schedule," he commented.

He said Manpower has enabled the village police department to maintain two-man patrols at most times including nights. "Without our Manpower men, we would have no choice but to go to one-man patrols, placing the officer in jeopardy and greatly decreasing the protection to the citizens."

Even with one-man patrols, which we could handle, vacations, sick leaves and other leaves would put us out of business. We did it once and we can do it again, but it will be tough," the chief commented.

He added, "Killing or reducing Manpower would be bad for us, but think of the Manpower employee. It would be terrible for them without a paycheck."

"I feel as important as law enforcement is to the people, somebody should be able to make some kind of arrangement to see this aid we are receiving continues," Bennett concluded.

## GC team skates to 2nd place

The Sternberg Construction Co. ice hockey team of Granite City took runnerup honors during the weekend in a Mini-Squirt "A" Division tournament at Overland Park, Kan.

A member of the Granite City Amateur Ice Hockey Association, the squad blitzed an Omaha, Neb., squad 3-0 on goals by Matt Leub, Chris Gaden and Mark Donoff. Tom Schenke protected the net as goalie.

In a semifinal contest, the local team squeaked past Boulder, Colo., 7-6. Goals were scored by David Yurkovich, four Gaden, two, and Scott Combs.

A tournament championship clash for the 7-8-year-old division between Sternberg and Florissant Mo., required two overtime periods to decide the winner, Florissant prevailing 1-0.

## \$1 million improvement project at drag raceway

Wayne Meinert, president of St. Louis International Raceway, has announced that Bob Miller has acquired 50 percent interest in the raceway, located south of Madison.

Miller, President of Miller Construction Co., Collinsville, will take an active role in the daily operation as well as overseeing an improvement and modernization program now under way at the raceway.

Immediate projects include 12,000-square-foot modern club lodge located adjacent to the starting line, including a cocktail lounge, steak house and snack bar.

Included also in the immediate plans, with completion scheduled for this month, are a clubhouse pavilion and a grandstand seating along with pressbox facilities, totally glass enclosed.

## Tee baseball for 8-year-olds

The Granite City Park District is starting a new program in its baseball leagues. T-Ball will be played in the First Year Atom League this year.

Boys who will become eight years old in 1976 will compete. Baseball will be played on a tee for the batter to hit the ball, eliminating the pitcher for eight-year-olds.

This will avoid the many

unintentional walks and will give every boy a chance to hit the ball, a spokesman said. It will also give the fielders a chance to handle the ball while learning where to throw the ball and make the pitcher.

Each team will be allowed to score five runs per inning or to make three outs, whichever comes first.

In the last inning, the teams

will play until three outs have been made.

There will be a minimum of 13 players per team and a maximum of 15 players. All boys will be required to play three innings and bat at least one.

"The program is being played in other local areas and has turned out to be popular," the spokesman said.

"All boys wanting to play in this program and who will be turning eight years old this year should call the park office to register at 677-3059.

"Boys in other age brackets who are interested in playing baseball may also call the park office.

"The Park District is in need of volunteer managers for the baseball program. Any adult interested in working with the youth of the community may stop in the Wilson Park office or call 677-3059 for information."

## Vacancies for softball umpires

Harold Brown, director of parks and recreation, will conduct a special meeting next Monday for persons, aged 18 and over, desiring to serve as umpires in the Granite City Park District's amateur softball program.

The season begins May 3. Brown stresses that potential umpire applicants, and those already assigned with the program, are to attend the meeting, which will start at 7:30 p.m.

Location will be the Nameoki Recreation Center, Amos and Franklin Avenues.

## P&S ice team wins title

P and S Amusement, a member of the Granite City Amateur Ice Hockey Association, swept three contests during the weekend to claim top honors in a Bantam Division, ages 13-14, tournament at Winterland ice rink in St. Ann, Mo.

"He and I have allocated more than \$1 million for improvements over the next three years. Nearly half of that amount will be spent before the gates open for the 12th annual American Hot Rod Association spring nationals which will be presented here June 4, 5 and 6.

Kevin Mayer, Jim Gilliam and Matt Zimmermann, and then topped St. Charles 4-1 in a semifinal game. Jeff Lilley, Mayer, Gilliam and Zimmermann each tallied goals.

P and S met Kansas City this week for the tourney championship, defeating the Missouri team 8-2. Lilley, Gilliam and Mayer each scored.

## Tourneys end ice hockey; Grove Plumbing team wins

The Granite City Amateur Ice Hockey Association concluded its 1975-76 season last week with a 16-team tournament in which one of the four Granite City squads entered won its division of the Wilson Park ice rink competition.

Granite City's Grove Plumbing blanked Clayton 3-0 on two goals by Tim Phelps and one by Greg White before ending Webster Groves 3-2 in overtime on goals by Randy Dionea, Tim Phelps and Dennis Partney for a division championship. Clayton took consolation honors.

Moore Construction of Granite City was defeated 5-2 by Creve Coeur in a Bantam Division tourney opener, Billy McKinnon and Jeff Lilley providing the scoring.

Moore then won 2-1 over Springfield for consolation honors on goals by Ron Kurts and Lilley. St. Louis' Steinberg of St. Ann won the championship game.

## Deadline April 30 on filing economic interest statements

Attorney General William J. Scott this week reminded persons who must file statements of economic interests under the Governmental Ethics Act that the deadline for filing is April 30.

Those persons who must file their statements with the clerk of the county in which they reside include:

1. Elected officers of units of local government, which include counties, municipalities, townships, special districts and other units as may be designated by law.
2. Appointed members of zoning boards, zoning boards of appeals, regional, county or municipal planning commissions, county boards of

review and governing boards of special districts.

3. Elected officers of and appointed members of governing boards of local school districts and public community college districts.

4. Employees of any unit of local government, school district or public community college district, earning more than \$20,000 per year. In addition, employees who earn less than \$20,000 per year must report if they receive fees for professional services rendered for the state or any unit of local government or school district in such an amount that their total income is \$20,000 per year or more.

State officers and certain state employees who earn more than \$20,000 per year also must file statements but must file with the secretary of state.

The attorney general noted that the statute provides that failure to file may result in forfeiture of office and that filing a false or incomplete statement is a class A misdemeanor.

Those persons who file are entitled to a receipt stating that they have complied.

The list of all persons who have filed is forwarded to the State Board of Elections, and all statements are available for public inspection at reasonable times.

The attorney general said filing requirements under the Governmental Ethics Act should not be confused with those which may be required in accordance with the executive order of the governor establishing the Board of Ethics.

## State inheritance tax law is upheld

Attorney General William J. Scott won a victory in the Illinois Supreme Court Monday when the court upheld constitutionality of the Illinois inheritance tax.

In the first major test of the Illinois Inheritance Tax Law under the new 1970 Constitution, the court overruled and reversed an Appellate Court decision.

The lower court had said that all assessment under the inheritance tax act was unconstitutional.

Scott said, "\$75,000,000 a year in state revenue would have been in jeopardy, had we lost the case. The loss of the entire inheritance tax would have had a disastrous effect on the fiscal stability of the state."

Revenue from inheritance taxes accounts for a major portion of the record \$199,464,544 the attorney general produced for the use of state and local governments in the 1973-74 two-year period.

The inheritance tax collection figure for that period was \$150,732,863. That sum contributes greatly to the record of the attorney general in producing \$12 for each dollar the office costs, he said.

The specific case ruled on by the Supreme Court was Illinois vs. Ernestine G. Barker, executor of the Estate of Zulema M. Barker. The case originated in McLean County in 1971, and centered on the question of reporting Treasury bonds in valuing an estate.

The constitutional challenge related to circuit judges engaging in the non-judicial function of assessing inheritance taxes, a system inherited from the old county court judges' function as instituted by the original Inheritance Tax Act of 1896.

Special assistant attorneys general handling the successful defense of the inheritance tax laws were Samuel Witwer, Murray P. Milno, Joseph Rubinielli and Thomas J. Downs.

## Federal tax deadline in two weeks

Taxpayers have two weeks to file their federal income tax returns before the deadline, April 15, Ira S. Loeb, district director of Internal Revenue for Central and Southern Illinois, noted today.

"We're expecting as many as 300,000 returns to be filed between now and April 15," Loeb said. "If you need help, I suggest you visit an IRS office as soon as possible to avoid having to wait in line."

"The closer the deadline, the more difficult it may become to get the personal assistance you want and need."

Loeb said IRS offices are staffed to provide regular walk-in assistance as well as furnish toll-free tax information each weekday Monday through Friday, between 8 a.m. and 4:30 p.m.

Taxpayers may call the toll-free number, 800-222-2921, at any time during these dates and times, Loeb said.

MR. AND MRS. JEFFREY COY. They were married in an evening ceremony at the home of Mr. and Mrs. Chet Wyers, 116 Springfield Ave., Mitchell. Formerly Cheryl L. Norton, the bride is a daughter of Mr. and Mrs. Bernice Norton, 4112 Kaseberg Lane.

## Cheryl Norton becomes Mrs. Jeffrey S. Coy

Miss Cheryl L. Norton and Jeffrey S. Coy exchanged wedding vows in an evening ceremony at the home of Mr. and Mrs. Chet Wyers, 116 Springfield Ave., Mitchell. The Rev. Kenneth Reeves officiated at the service on March 5 at 6 p.m.

The bride is a daughter of Mr. and Mrs. Bernice Norton, 4112 Kaseberg Lane. Parents of the groom, Mr. and Mrs. Harold Coy, reside at 3017 Marshall Ave.

For her wedding, the former Miss Norton chose a long white gown, featuring a high lace neckline, long full sleeves with wide cuffs and a semi-full skirt. Her lace-bordered veil was held in place with a lace headpiece and she held a bouquet of red roses and greenery, festooned with long satin ribbons.

## Miss Patricia Magee and John Charnecki are wed

Burning tapers in branched candelabras with white bows on the pews set the scene for the wedding at St. Roch Catholic Church, Waterman and Dale Avenues, St. Louis, of Miss Patricia Magee and John Michael Charnecki on Feb. 27.

The bride is a daughter of Mr. and Mrs. Vincent Magee, 6127 McPherson Ave., St. Louis. Parents of the groom, Mr. and Mrs. John Charnecki, reside at 6401 West Court, St. Louis, and are former residents of Madison.

Officiating at the 7 o'clock evening service was the Rev. Edward O'Donnell and the Rev. Thomas Malkowski, both of St. Roch's Church, and the Rev. Paul of Atlanta, Ga. Miss Joan Crawford played several musical selections.

For her wedding the bride wore her mother's wedding gown, fashioned of white satin and lace. Accented with embroidered lace motifs, the dress was complemented with a full-length veil, bordered in matching lace.

She carried a cascade of red and pink roses.

Barbara Simonds served as honor attendant, with the bridesmaids, Maureen Magee and Catherine Briggan, sisters of the bride, and Jo Ann and Theresa Ann Spykka, the groom's cousins.

They chose long pink dresses worn with red velvet jackets and held bouquets of red and pink roses and baby's breath.

Merry Ann Kweiter, the flower girl, was dressed in a pink frock and red velvet cape. She carried a basket of rose blossoms.

Jeffrey Dambroski served as the ringbearer.

Attending the groom was Steve Hager as best man, Jeff

MRS. KROTEFF IS BIRTHDAY HONOREE. Mrs. Stephan (Verka) Kroteff was honored at a surprise birthday party given by her former associates at the Metropolitan Life Insurance office, Granite City, from where she retired March 20, 1968. The honoree received a gift from the guests, Verna Jean Price, Delores Kinner and Nancy Robbins, all of Caseyville; Alice Dean Melanah of Wagoner, Ill.; and Sue Brinkhoff, Martha Welker and Beverly Lenzi. She gave an account of the great gold rush which followed the first real gold strike of 1896

## Alaskan journey heard by Travelers

Travelers Abroad met at Frasier Junior High last week with President Roy Lynn presiding. Miss Genevra Wallis and Mrs. Viola Edwards were admitted as new members and Mrs. Marge O'Neill was a special visitor. Miss Virginia Segar, in an illustrated lecture on her recent trips to Alaska, displayed an array of Eskimo dolls, whale and seal teeth, bits of jade and several varieties of seal fur. Today it retains much of its gold-rush atmosphere, ruins of old shacks, saloons and grim reminders of hardships, she pointed out, but there are many road markers and rangers wearing orange fluorescent ribbons patrol the trail to assist tourists. Even today, the journey still requires strength and stamina. Miss Segar said for the way is rough and rugged and there are no hotels. All tourists are required to register in advance and to show they have ample supplies. The speaker noted also there must be at least one able-bodied man in every party. Miss Segar showed motion pictures which she had made of dog races, the ski-elimination contest for the Olympic Games and enormous stacks of steel pipe for the oil line being constructed. She explained the pipe is manufactured in Japan from scrap iron imported from the United States. The audience was fascinated with movies of the Pribilof Islands, tiny specks in the Bering Sea, 200 miles from the Alaskan mainland, where the only residents permitted are United States agents and Aleut Indians. The latter are employed in the sealing industry during the hunting season, but are dependent on the U.S. Government for food, clothes, schools and medical attention. Seals which inhabit the islands from April to November are a distinct species with much better fur than any other. Miss Segar explained. There are also blue and white foxes which the natives trap when there are no sealing operations. On three tiny islands are great bird rookeries, the

and reached its climax in 1899. It was on the Chilkoot Trail, the last 20 miles of the long trek from Skagway to the Klondike, which proved the most perilous part of the miners' journey. At least 100,000 persons started along the trail, but scarcely half of them completed the trip. Miss Segar said that many were victims of cold, avalanches, falls, starvation, unfriendly Indians and bands of ruthless robbers. After the epic of the Klondike had gradually receded in public memory, Miss Segar explained, a new interest in the Chilkoot Trail developed in 1960 when it was made a tourist attraction.

breeding places of immense numbers of gulls, sea parrots, and cormorants. Miss Segar stated that probably no other area in the world has a greater variety of birds. She also showed photos of Russian influence in the islands, such as the Russian Orthodox church which began late in the 18th century and ended in 1867, when Secretary of State Seward requested Russia's friendly attitude toward the Civil War by purchasing, at her request, the entire colony of Alaska as America's first foreign possession.

## Women of Moose honors member

Women of the Moose, Chapter 247, hosted "Green Cap Day" honoring Mrs. Nancy Hamilton, junior graduate regent, at a meeting last week in the Moose Lodge Hall. Senior Regent Miss Ruth Stover opened the session and turned the meeting over to Mrs. Hamilton, who presented Chapter 247 with an achievement award for 1974-75 from Mooseheart. Members voted to send a cash gift to the past grand regent at a convention in April at Decatur. Thirteen local members will be eligible for the Academy of Friendship degree at the convention. Plans for several fund raising projects were discussed and arrangements were finalized to hold an Easter Egg hunt on April 18 for the children of members. Guests attending were Jane Lynch and Blanche Bayer, both members of the College of Regents, Edwardsville Chapter 88. A dinner, served in honor of Mrs. Hamilton, was attended by 47 members and guests. Green and white decorations were used with the centerpiece and favors designed as dolls with green caps. The cake also was created in the shape of a doll with a green-frosted skirt. A personal shower was held for Mrs. Hamilton. During the social hour 20 prizes were awarded.

Following the March theme, "Hobbies," Tim Decker won the "most unusual" award for his display and John Withers received the "best exhibited" hobby entry at the Cub Pack 109's meeting held Monday night at Logan School. The opening flag ceremony was presented by Greg Carroll, Blake Moncal and Mike Halbe, followed by Len Deader Mrs. Wanda Staveland leading the group in song. Cubmaster Bob Decker awarded a silver arrow under the Wolf rank to Norman Smith and a gold arrow under the Bear rank to John Withers. Pack 109 entered the 76 Uniwah window display contest and received a Bicentennial ribbon for third place, it was announced. The cubmaster reported a tree planting expedition is planned at 9 a.m. Saturday at the Lake Drive entrance to the Madison County Nature and Bicycle Trail.

## Mrs. Talley hosts Theta Theta party

Five guests were entertained at a rush party given this week by Theta Theta Chapter, Beta Sigma Phi Sorority, at the home of Mrs. Phyllis Talley, 2753 Sunset Drive. The special guests were Mrs. Sharon Taylor, Mrs. Christa Sabo, Mrs. Barbara Mihalich, Mrs. Judy Reideberger and Miss Debbie Sebold. A "get-acquainted" game was played and chapter executives explained their responsibilities and the sorority's objectives. Each guest was presented a plant as a gift and invited to attend Theta Theta's regular meeting Thursday evening in the home of Mrs. Linda Givens, president. A dessert fondue was served by the hostess to those named and to Madamess Ellen Brokaw, Sandy DeMoulin, Martha Ginnakos, Jane Jackstadt, Mary Morgan, Cindy Mucho, Midge O'Master, Debbie Parnley, Joyce Tracey and Linda Yalms.

MRS. JOHN GOUDY, formerly Miss Peggy M. Stagner, who was married at the First Baptist Church in Madison. She is a daughter of Mr. and Mrs. Glen Stagner, 1920 Beckwith Ave., Madison. (Granite City Press-Record Photo)

### Goudy-Stagner wedding at Madison 1st Baptist

The First Baptist Church in Madison was the scene of the wedding on March 20 of Miss Peggy M. Stagner, a daughter of Mr. and Mrs. Glen Stagner, 1920 Beckwith Ave., Madison, and John W. Goudy, a son of Mrs. Myrtle Goudy, 922 Reynolds St., Madison.

Spring flowers in tall vases were arranged with greenery to provide the setting. The double ring ceremony at 5:30 in the evening was performed by the Rev. Paul Davis.

Jean Hargrave sang "We've Only Just Begun," "I Believe" and "The Wedding Prayer."

For her wedding, the bride selected an ivory organza gown in an Empire silhouette worn with a fingertip veil, bordered with Cluny lace and secured to a matching lace cap.

Venise lace motifs, etched with pearls, accented the high collar and sheer yoke. The long, sheer sleeves were tightly cuffed with a lace ruffle.

Feathered lace appliques defined the waistline and enhanced the long skirt. A gathered Cluny lace ruffle encircled the hemline and chapel train.

She carried a colonial bouquet of red Sweetheart roses, white carnations and baby's breath.

Maid of honor Miss Donna Holt wore a long blue floral gown, trimmed with Cluny lace. She held three white roses, festooned with baby's breath and blue streamers.

The bridesmaids, Miss Kelly Dutko, Miss Cindy Coghlan, Mrs. Rosie Stagno and Miss Judy Goudy, a sister of the groom, selected yellow floral dresses. They held yellow roses, tied with matching ribbon streamers.

Attending the groom as best man was his brother, James Goudy. William Vest, Gary Johnson, Gary Wright, Richard Woodard and William and Gerald Stagner, brothers of the bride, completed the corps of groomsmen and ushers.

Guests were received by the newly married couple at a reception held at the Croatian Home. The rehearsal dinner was hosted at Roustio's Restaurant.

Both young people graduated from Madison High School. The former Miss Stagner is employed in the Madison County treasurer's office in Edwardsville. Her husband works through Boilemakers Local 363.

They now reside in Granite City.

### Amvets Auxiliary names delegates

Mrs. Jackie Petras, president, and Mrs. Glenda Brockman, senior vice-president, will attend the Illinois Amvets State Executive Committee meeting at the Sheraton O'Hare Motor Hotel in Rosemont, Ill., Saturday and Sunday, it was announced at last week's Amvets Auxiliary meeting at Post 51 Home, 5100 Lakeview Drive.

Mrs. Petras and Mrs. Brockman also were named delegates to the Illinois Amvets and Auxiliary state convention, scheduled June 17-20 at Zion.

Opening prayer was by Mrs. Trudy McGowan, chaplain. In the social hour, a buffet luncheon was served by Mrs. Agnes Konkovich and Mrs. McGowan and a white elephant prize was won by Mrs. Charleen Sanders.

Other business at the meeting included plans to enter decorated floats in the June 3 Shriners' parade and the Granite City Bicentennial parade on July 3.

Mrs. Brockman announced the auxiliary has achieved 100 percent in matching last year's membership total. A donation was authorized to the Carillon Fund.

Mrs. Petras urged all members to attend the April 14 meeting when nominations will be accepted for 1976-77 officers.

TO WED. Miss Jacqueline L. Pingel and Louis P. Arnold, who will be married Saturday. The bride-to-be is a daughter of Mr. and Mrs. Joseph J. Pingel, 907 Greenwood Ave., Madison.

### Jacqueline Pingel to marry

Announcement is being made of the wedding on Saturday in East St. Louis, of Miss Jacqueline L. Pingel and Louis P. Arnold.

Parents of the bride-elect, Mr. and Mrs. Joseph J. Pingel, reside at 907 Greenwood Ave., Madison. The prospective groom is a son of Mrs. Shirley J. Arnold, Apt. 95 Garesche

Homes, Madison.

A graduate of Madison High School, Miss Pingel is working part-time as a nurse's aide at St. Elizabeth Hospital.

Her fiancé is a student at Southern Illinois University at Carbondale.

The Rev. John H. Amshury of East St. Louis will officiate at the ceremony.

### GC teachers to attend Lambda State meeting

Mrs. Agnes Fryntko, president of Alpha Eta Chapter, Delta Kappa Gamma Society, and Dorothy Mitchell, Leigh Ann Heller, Elizabeth Briggs and Lucinda Huck, all of Granite City, are among 20 key women teachers from Madison County who will attend the organization's state convention at the Marriott Hotel, Chicago, this weekend.

Mrs. Fryntko will be honored at the presidents' dinner Saturday evening. A memorial service will be held Sunday, with Ruth Pippins of Alton in charge.

"The American Dream" is the convention theme. Mrs. Gertrude Mead of Aurora, president of the Illinois Lambda State Organization, has planned an informative and stimulating program for the three-day event, Mrs. Fryntko said.

Awareness sessions include special areas of interest for women in administration, art, Indian handicrafts, the world of work, environment, metrics, legislation, career development, retirement, mental health and special learning problems of children, it was announced.

Among the convention highlights will be presentation of the 1976 Lambda State

scholarships and a Bicentennial Pageant. The latter will include 23 scenes depicting important events in the history of the United States and the Delta Kappa Gamma Society.

Delta Kappa Gamma is an international honorary organization for women educators with more than 130,000 members in nearly 2,500 chapters in the 50 states of the United States, the District of Columbia, the Canadian provinces, Norway, Sweden, Finland, Mexico, Guatemala and Iceland.

Ninety chapters are organized in Illinois, totaling nearly 6,000 members. The Society was started 47 years ago in Austin, Tex. Lambda State will observe its 41st birthday this year.

Included in the purposes of the society are the advancement of the professional interest and position of women in education, the endorsement and support of desirable educational legislation, the endorsement of scholarships to aid outstanding women educators in pursuing graduate study, the stimulation of personal and professional growth, and the provision of information about economic, social, political and educational issues, Mrs. Fryntko said.

### Area PTA Council elects Mrs. Baker

The Granite City Area Council of Parent-Teacher Associations met last week at Mitchell School and elected officers for the 1976-77 school year.

Those who will take office at the May 27 installation ceremony at Washington School, include:

Mrs. Dorothy Baker, Wilson PTA, president; Mrs. Ruth Jorgensen, Stallings PTA, vice-president; Mrs. Dorothy Phelps, Lake PTA, recording secretary; Mrs. Julie Gates, Maryville PTA, corresponding secretary; and Mrs. Barbara Haddock, Maryville PTA, treasurer.

Mrs. Phelps, the retiring president, presided at the business session. She led a discussion on each PTA unit

participating in the Bicentennial Clean-Up Week, set for May 15 to May 22.

A survey will be taken during April and May in the Granite City School District of preschool children who will be attending school next fall. The survey is in connection with a project to be conducted by the Citizens Advisory Committee on declining enrollment, it was announced.

Mrs. Phelps reported the area council president will serve as chairman of Red Cross Disaster program and each PTA president will be asked to furnish names, address and telephone numbers of people willing to work in case of a disaster.

It was also noted the annual "Acce of Art" exhibition will be

held from noon to 4 p.m. May 2. George Moore, president of the Granite City Board of Education, James DuMont, principal of South High School, Mrs. Jean Robertson, Home Economics teacher at South High, and Larry Tegel, a student, gave a report on a conference they attended.

Mrs. Phelps announced the state PTA convention will be May 12 to May 15 in Chicago. The program at the May meeting will be a review of the Council for Cultural Arts.

She also reminded those present of the school board election on April 10, with the polls opening at noon.

## Venice submariner home after cruise

CTRS Mark A. Bess, U.S. Navy, was home for a 30-day leave and with his parents, Mr. and Mrs. Willard Bess, 498 Lincoln Ave., Venice, visited a brother and sister-in-law, Mr. and Mrs. Don Cook, in Miami, Fla.

The serviceman is based at Chesapeake, Va., and has just completed a three-month tour of duty on the submarine, USS Flying Fish. He received a "Presidential Unit Citation" medal for a previous submarine tour on the Archer Fish.

Bess enlisted in the service in 1970 and was stationed at Misawa, Japan, for three years and at Naha, Okinawa, for two years.

Bess and his parents also spent time in Daytona, Fla.

## Season finale for North Band

The Granite City High School North Concert Band, under the direction of Robert D. Todoroff, will present the final concert in the 1976-77 series of four performances at 8 p.m. Monday in the cafeteria at North High School.

A feature of the concert will be the presentation of selections honoring the Bicentennial musical celebration with the performance of an original score written by the American composer, Roger Nixon, entitled "Music for a Civic Celebration," and "The Battle of Trenton (1776)" written then and dedicated to George Washington by the composer, James Hewitt. It is the first and only published band arrangement of this historic piece of music.

The concert also will include: "El Salon Mexico" by the noted American composer, Aaron Copland; "Third Suite" by Robert Jager; Theme from "The Rockford Files" from the current television series; Highlights from the Broadway musical, "Pippin"; "The Coronation March," "Crown Imperial" by William Walton; and other selected works.

Graduating seniors will be recognized for their services. Admission is by season ticket or \$1 for adults, 50 cents for students and 10 cents for any band student at the door. The public is invited to attend the season's finale presentation by the North High Concert Band. Arrangements for the concert were made by the Granite High North Band Parents Association, under the supervision of Harold Stoker, Band Parents president.

# Classes for nurses

The Continuing Education Program of the School of Nursing at Southern Illinois University at Edwardsville will offer a series of eight lectures on "Public Health and Operating Room Infection Control" for nurses who would like to upgrade their education, beginning April 4.

Ina Ingwersen, director of the program, said the objective of the lectures is to help nurses track down the sources of infections in the areas of operating room, delivery room, surgi-center, nursery, emergency room and outpatient clinic, intensive care unit, nursing homes, home,

school and other places within the community.

The lectures will supply knowledge in controlling infections using the most up-to-date techniques, she said.

Registration fee for all of the lectures will be \$12 or \$2.50 per lecture. Persons attending all of the lectures will earn 12 contact hours or 1.2 continuing education units. Deadline for registration is April 6.

On April 14, the lecture will be on the SIUE campus. Janet N. Frank, nurse consultant epidemiologist from the International Clinical Laboratories of Missouri, will be the lecturer on "Operating

Room, Delivery Room, Surgi-Center."

"Nursing" will be the lecture on April 21, also scheduled on the local campus. Diane Ellenberger, clinical nurse in neonatal intensive care at Children's Hospital in St. Louis, will be the instructor.

The third lecture, "Emergency Room, Out-Patient Clinic," will be April 28 at SIUE. The session will be taught by Jackie Aycock, emergency room supervisor of Memorial Hospital in Belleville.

On May 5, the lecture will be on the subject, "Intensive Care Unit," and is scheduled at St. Elizabeth's Hospital in Belleville. Betty Boyd Walker, assistant professor of nursing at SIUE, will be the instructor.

On May 12, the lecture will center on "Hemodialysis." The session, taught by Joan Harrington, M.A.N., will be at St. Elizabeth's, Belleville.

"Nursing Homes," the session set for May 19, also is scheduled at St. Elizabeth's Hospital. Linda L. McGaughey, assistant director of nursing at VIP Manor in Wood River, will be the instructor.

"School Nursing-Zoonotic Diseases," will be the subject of the lecture on May 26. This session will be on the university campus and will be taught by Dr. Russell James Martin of the Division of Disease Control in the Illinois Department of Public Health.

The final lecture, "Community Health," is scheduled June 2 on the SIUE campus. Jane Pinnell, education director at St. Joseph's Hospital in Alton, will be the lecturer. Additional information concerning the lectures may be obtained by contacting Ina Ingwersen in the SIUE School of Nursing.

## Emergency Radio Team enrolls 8

The Citizens Band Emergency Radio Team (CBERT) accepted eight new members at the March business meeting held this week in the Civil Defense Center, 1411 Nineteenth St.

Those enrolled into the CBERT squad included Betty Harper, Claude Gozla, Robert Harper, Linda Lester, Nina Hall, Floyd Page, Rex Lester and Walter Hall.

Principal topic of discussion focused on the CBERT's plans to register citizen band radio equipment owned by area residents in a series of registration programs, beginning Sunday from 10 a.m. until 6 p.m., outside the city hall on Niedringhaus Avenue.

The service will be offered

free under sponsorship of the Granite City Police Department and the Granite City Emergency and Disaster Services (Civil Defense).

Primary objectives of the registration program is to help reduce the record-breaking number of CB radio thefts and to enable identification of the equipment by the owner if stolen.

In other business, the 37 team members present at the meeting discussed preliminary plans for the annual "Coffee Break" in October, when area CB clubs convene for an awards dinner and social evening.

The event will take place at the VFW Hall, 204 Washington Ave., with a specific date still to be set.

## To honor former St. John pastors

Three former pastors of St. John United Church of Christ, 2601 Namekiki Road, will be honored Sunday in the church's continuing series of Bicentennial commemoration services.

Holy Communion will be celebrated at both the 9 a.m. and 10:20 a.m. services Sunday, according to Steve Suss, Bicentennial publicity chairman.

At the 9 a.m. service, persons who were confirmed by Pastor Welfelt (1885-1900), Plassman (1900-1917), and Dexheimer (1917-1923) will be recognized. Suss said members of these confirmation classes represent the oldest living members of St. John Church.

In conjunction with the observance, a bronze plaque will be presented to the church by

the Bicentennial Committee, listing the names of the ministers who served St. John's congregation from its founding to the present time.

Members of the 1976 confirmation class will be presented to the congregation at the 10:20 a.m. worship service Sunday. The Chancel Choir, congregation from its founding, Mrs. Irene Barriock Rapp, will sing "Praise Ye the Father" by Gounod.

Mrs. Doty Miller, author of "Around the World in 99 Beds, an account of mission work throughout the world, will be the featured speaker at a special 5:30 p.m. potluck dinner during the church's Sunday service.

The public is invited to attend all services and programs at the church, Suss said.

## Pack 8 attends 'Ice Capades'

Cub Pack 8, sponsored by the First United Presbyterian Church, attended an "Ice Capades" show last week.

Those attending from Den 2 were Rosa Simpson, Mike Grizzard, Kevin Thompson, James Ellis, Ricky Sutton, and Mark Mathis. Mrs. Pat Foote, den leader and Irene Martin, assistant den leader; and Webeles Patrick Ramsey, Tim Cox, Paul Craig, Rick Williams, James Livingston, Richard Grizzard, Scott Foote and Leonard Basson.

Richard Foote, committee chairman, Mrs. Ann Ramsey, den leader, and guests Eileen Sutton and daughter, Kimberly Marcella Rowland, Don Rowland, James Ellis, Tracey Ellis, Janis Grizzard and Ronda and Mike Hand, also were present.

Each boy attending gave a donation toward the purchase of a flag pole, to be erected this summer at the Boy Scout office. Their names will be placed in a "Name capsule," to be buried at the base of the pole.

Guests present were Mrs. Nannie Meadows, Charles Kelley, the Rev. and Mrs. Roy Baugh and Amanda Baugh. Others attending were Mr. and Mrs. Fred Stith, Mr. and Mrs. Raymond Dix, Mr. and Mrs. Calvin Compton, Mr. and Mrs. Milford Hahn, Mr. and Mrs. Harold Lynn, Mr. and Mrs. Homer Huber, Mrs. Paddock, Mr. and Mrs. Waldo Frohardt, Mr. and Mrs. Cleveland Cox, Mr. and Mrs. Bob Richardson, Mr. and Mrs. Charles Reimers, Mrs. Ruby Corbett and Mrs. Ruth Furkey.

## Women of Bible meeting topic

A program on "Women of the Bible" was presented by Bobby Van Winkle of Alton at a meeting Monday night of the Ladies in Action group at Briarcliff Pentecostal Church.

A potluck dinner was served by Mrs. Lillian Barton and Mrs. Maggie Glasgow preceding the membership drive meeting and program.

Mrs. Chris Spencer, president, led a discussion on holding an auction at the April 28 meeting and also reviewed tentative plans for a bake sale. Members also discussed securing bid prices for the installation of beds in the church nursery.

Mrs. Nola Heiney offered prayer and was presented a prize during the social hour.

Other present were Mesdames Judy Van Winkle, Wanda Watson, Dorothy Smith, Maggie Metcalf, Caroline Convey, Pearl Goetz, Dorothy Lakin, Deana Beaver, Opal Orrell, Helen Canada, Omie Farless, Phyllis Allen, Diane Gaines, Ann Hotson and Ola White.

## GC artist to exhibit pottery

A one-artist exhibit by Barbara Premier Thoelke will be held at the Earthenware Gallery in Clayton during the month of April. The show will feature functional stoneware pottery and small sculpture.

Mrs. Thoelke has had other one-artist shows, including several at St. Louis University and Maryville College in St. Louis. Her work also has been featured in group shows at Lewis and Clark College and other invitational and juried exhibits.

The Granite City artist makes her own clays and glazes and the wheel-thrown pottery is fired in a gas-fired kiln to 2,300 degrees. No lead is used, therefore the pottery is highly functional and durable.

An opening reception will be held Sunday from 1 p.m. to 4 p.m. at the Earthenware Gallery, 802 DeMun in Clayton.

## GOSPEL SINGING SET FOR SATURDAY NIGHT

The Frank Wallace family will present a program of gospel singing at 7:30 p.m. Saturday at the New Life Singing Chapel, 26th and August streets.

No admission will be charged and the event is open to the public.

\$600 IN TOOLS TAKEN  
A red five-drawer tool box containing tools valued at about \$600 was stolen from the home of Robert Snyder, 2200 near Buxton Ave., it was reported at 10:30 a.m. Tuesday. Entry was gained by removing a padlock from a door.

## Mrs. Harriet Hoff entertains club

Mrs. Harriet Hoff, 3741 Fair Oaks Drive, was hostess to the Butterfly Club on Tuesday night in her home.

Pinochle games were played and prizes were won by Mesdames Hazel Rollins, Katie Hommert, Thelma Schmidt and the hostess.

A dessert course was served by Mrs. Hoff to the prize winners and to Mesdames Mary Lou Claussen, Juanita Rosenberg, Neil Talley and Lorraine McDuffy. Mrs. Talley will entertain the group in April.

## South math seniors 3rd

Students from Belleville Township East High School carried off most of the honors in the 18th annual Mathematics Field Day held during the weekend at Southern Illinois University at Carbondale.

Belleville East students gained first place in the sophomore, junior and senior classes, based on scores in a two-hour competitive math skills examination administered to 700 students from 52 Southern Illinois high schools.

Class AA (751 or more enrollment) team winners in order of their finish were:

Seniors — Belleville East, Edwardsville, Granite City South.

Juniors — Belleville East, Edwardsville, Carbondale.

Sophomores — Belleville East, Edwardsville, Belleville West.

Freshmen — Belleville East, Carbondale, Marion.

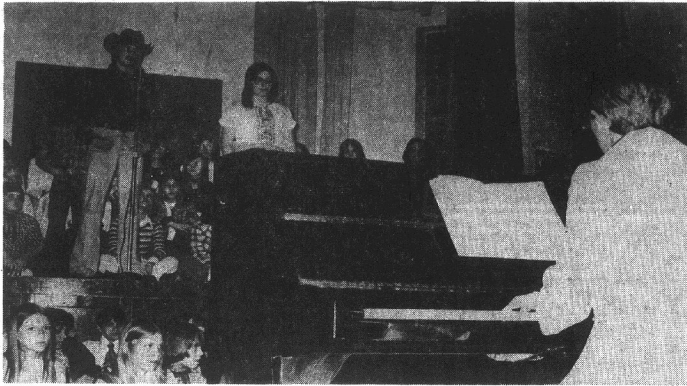

Class A team winners in order of their finish were:

Seniors — Sparta, North Clay, Red Bud.

Juniors — Valmeyer, Sparta, Red Bud.

Sophomores — Lebanon, Cartermire, North Clay.

Freshmen — Red Bud, Cartermire and (tie) Nashville and Trenton Westlin.

## Meeting Tuesday for off-campus advisory group

The General Advisory Committee of the Off-Campus Education program of Granite City School District 9 will meet for a "dutch treat" dinner at 6:15 p.m. Tuesday at Charlie's Restaurant.

Progress in planning a spring

banquet and a discussion on student evaluations and training stations are included on the agenda, according to Donald Shaffner, Off-Campus coordinator.

The 18-member advisory group consists of employers, former student participants and others interested in the Off-

Campus-Extended Classroom program. The educational concept enables local students to train for future careers, or work in part-time jobs while still attending high school.

Dick Ervay, owner of Ervay's Restaurant, is the committee chairman.

Budget bills for the 1976-77 year totaling \$288,592, down \$4,755 from last year, were approved by the Venice Town Board Tuesday night following a public hearing in the town offices, Fifth Street and Madison Avenue.

The public hearing was attended, only by the town auditors, and was adjourned shortly after 7 p.m. to convene a special meeting of the Town Board.

The board approved the budget measures without change from tentative appropriations posted for public

inspection in late February. The appropriations will be subject to approval by town electors at the annual town meeting in the Venice City Hall on Tuesday, April 13. Action on the road and bridge fund budget is scheduled at 1:45 p.m. on that date, while the town fund, general assistance fund, revenue sharing fund and retirement fund budgets will be considered at 2 p.m.

New budgets include appropriations of \$85,592 in the general fund, an increase of \$4,940 over last year's budget of \$80,652 and a new budget of \$87,500 in the general assistance fund, down \$5,800 from last year.

For road and bridge purposes the budget projects expenditures of \$28,000, down \$6,495 from last year's appropriation of \$34,495. The appropriation for the municipal retirement account is set at \$27,450, an increase of \$2,600. Major expenditures in the general town budget include \$61,360 in administrative salaries, these include \$4,680 for the salary of the supervisor, \$4,680 for salary of the town clerk, \$8,000 for the salary of the assessor, \$8,000 for the collector, \$4,200 for the highway com-

missioner, \$5,000 for town board members, \$7,000 for the supervisor of general assistance, \$600 for the town treasurer, \$200 salary for the health officer and \$22,000 for additional personnel.

The town fund budget also appropriates \$3,200 for travel expenses, \$3,300 for legal service and \$4,000 for bonding costs. Interest payments of \$1,800 on tax anticipation warrants also is included.

The general assistance fund budget includes projected expenditures of \$14,900 for salaries, excluding those of elected officials, \$11,000 for medical care, \$2,500 for utilities for clients, \$4,500 for rentals and \$38,000 for food. Also included is \$9,000 for institutional care for assistance clients, along with \$1,500 for payments to convalescent homes and \$2,000 for contingencies.

The road and bridge appropriation includes \$4,760 in expenditures for administrative purposes; \$10,800 for road maintenance costs which include \$3,000 for machinery rental and \$7,000 for materials, and \$11,295 for oiling of roads. The municipal retirement fund budget includes \$26,000 for retirement fund payments and \$1,450 for contingencies.

## Aid recipients alleged to have Cadillac, Mercedes

Arrest warrants were issued Tuesday for three East St. Louis residents in the Illinois Department of Public Aid's crackdown on welfare fraud in St. Clair County.

Ola Mae Davis, Bonita Hood and Sidney Collins allegedly defrauded the state of \$46,045 in welfare payments. Department investigators allege the three provided falsified financial information to public aid workers at the time they made application for public assistance.

The department's Bureau of Special Investigations contends they failed to report income and assets to welfare caseworkers. Ola Mae Davis, also known as Ola Mae Evans, a \$10,000 lottery winner, is alleged to have failed to report her winnings to the Illinois Department of Public Aid while receiving assistance.

Investigators alleged Bonita Hood was employed and receiving public aid at the same time. She is currently driving a 1975 Mercedes, they alleged.

Sidney Collins was receiving public assistance and making an installment loan payment of over \$500 a month; he purchased a 1975 Cadillac limousine just one month before he applied for public assistance, it is alleged.

Raymond Benn, chief of the department's Bureau of Special Investigations, said he expects early prosecution of the three for welfare fraud.

The arrests bring to 282 the total of completed investigations by the public aid East St. Louis fraud unit since it began operation in St. Clair County last April.

Benn said the East St. Louis area was chosen as a pilot project to test a concept which the department now intends to apply statewide. "This four-month project has had far reaching results," he told the Press-Record.

Previous welfare fraud cases previously turned over by the unit to St. Clair County Assistant State's Attorney Rosa

Gossage for prosecution totaled \$184,270 in unreported income received by public aid recipients in the East St. Louis area.

In the last four months, 261 recipients have been interviewed; 221 of these signed formal acknowledgements and promissory notes for a total of \$464,385. The 40 who declined to cooperate will undergo further investigation and consideration for prosecution.

"Since Dec. 2, 1975, the close working relationship of the Bureau of Special Investigation and the county has resulted in grand cancellations and/or reductions of \$100,773.31. This amount can be directly attributed to this project," Benn said.

"Our East St. Louis project combined total of \$77,774 is only the beginning of the effect of our efforts will produce continuing savings to the state."

## Not too late to curb crabgrass

By WAYNE B. SIEFERT  
Lawn and garden authority  
It's not too late to control crabgrass on your lawn if you plan to use chemical control. Soil temperatures and sunshine regulate the germination processes of crabgrass.

This year, warm temperatures have created an early spring and will speed up the germination schedule for crabgrass.

Pre-emerge chemicals for crabgrass control are available in area garden centers. You should be applying one of these chemicals by this weekend to be sure of good control.

Carefully follow directions regarding the quantity to apply.

You can wipeout your dandelion crop if you treat now with 2,4-D and Silvex.

When dandelions are making a spurt of growth in early spring, or early fall, a combination of 2,4-D and Silvex will give complete control. This seasonal control, applied as a spray, will do a minimum of damage to shrubs because most are still dormant.

The 2,4-D portion of this mixture is especially effective on dandelions. When Silvex is added, you can also control chickweed, henbit and clover.

Be sure to mix it according to directions. One application will last the season.

It's time to plant all of the early season vegetables such as lettuce, peas and onions, but it's better to wait for good soil conditions than to mud them in. A good test for determining soil workability is to squeeze a handful of soil in the hand. If it crumbles and doesn't feel sticky, go to work.

Mail-order nurseries have been shipping to customers. If you receive stock when it's too cold and-or wet to plant, try to keep it dormant in a cool and moist place.

A refrigerator is the best for this, but covering with a heavy straw mulch or heeling-in will also provide some insurance.

Plant as soon as soil conditions are favorable.

Special varieties of cucumbers and melons, especially seedless watermelons, can be started indoors now for trans-

planting outdoors in May.  
It requires three to six weeks  
to develop a good transplant,  
which must be replanted with  
the root system and soil ball  
intact.

Bare-root transplants are not  
very successful in this family of  
plants. Warm soil temperatures  
are important to success.

# Electrocuted at Mitchell

Jacob "Jake" Quartano, 59, O'Fallon, was electrocuted by a 4,000-volt power line while he was working at the Union Electric Co. station in Mitchell at 9:30 a.m. Wednesday.

Co-workers said Mr. Quartano believed the electricity to a junction box had been turned off

and put an arm inside to work on it when he was shocked. He collapsed and was rushed without signs of life to St. Elizabeth Hospital where he was pronounced dead by Madison County Deputy Coroner Randall Irwin at 10 p.m. yesterday.

Irwin said he believed the electrical shock caused Mr.

Quartano's heart to stop and he died immediately.

The Union Electric substation where the incident occurred is located at the curve on East Chain of Rocks Road where it turns from Nameoki Road.

He had been employed for 30 years by Union Electric and was an electrician-mechanic.

An inquest into the cause of death is to be scheduled, Irwin said.

Mr. Quartano was born in Maryville, Ill., and was a lifelong resident of the area.

He was a member of Masonic East Lodge 504, Scottish Rite Bodies, Alton Temple, Lov Twelve Club, the International Brotherhood of Electrical Workers, Local 309, and the Masontown Sportsman's Club.

He is survived by his wife, Mrs. Geneva Quartano, and his mother, Mrs. Annie Quartano, of O'Fallon.

Funeral services will be held at 1 p.m. Friday at a Fairview Heights funeral home. Burial will be in Lakeview Memorial Gardens, Belleville.

## Mrs. Dorothy King, 34, dies

Mrs. Dorothy King, 34, of Eagle Park, became ill at home and was taken by ambulance to St. Elizabeth Hospital where she was pronounced dead upon arrival Monday. An inquest will be held.

## Disturbance call results in arrest

Responding to a disturbance call at 2225 Burton Ave., at 12:12 a.m. today, arrested Stephen G. Presley, 19, of that address, charging him with contributing to the delinquency of a minor child. Presley also was served with five outstanding warrants, charging illegal transportation of alcohol, disorderly conduct and three warrants citing contempt.

## Dog bite

knows the dog, failed to identify either as the one that bit him. David's mother, Mrs. Karen Warfield, said the shots must begin Saturday if the dog is not found to determine whether it is rabid. The dog was described as being about one foot high with short brown hair and white markings on the stomach. Anyone with information concerning the dog has been asked to call the Granite City Police Department, 877-6111.

## Democratic

Continued from Page 1  
defeated for re-election as committeeman in the March 16 primary in which he also was defeated in a bid for renomination as state representative. Hagnauer, county committee chairman since March 1975, was nominated by County committeeman George Donahue of Wood River, and was elected by acclamation after no other nominations were offered. Wolf's re-election followed a discussion on the committee's authority to elect a secretary-treasurer who is not a committeeman. That question was posed by Committeeman James Roth of Alton who said he did not think such action was proper.

Don McLean of Edwardsville, who served as temporary chairman during the election, told the meeting that Illinois statutes are specific in authority for the committee to elect a secretary-treasurer who is not an elected committeeman.

James Chapman of Collinsville, 23rd Congressional District state central committeeman, served as temporary secretary in Monday's meeting, and it was noted that Chapman previously served as the committee secretary-treasurer for many years and never was an elected committeeman during that period.

Wolf was nominated for re-election by William Harrison, Democratic committeeman of Granite City Precinct 16. No other nominations were made. A resolution that would have established the office of vice-chairman, offered A. J. Whitaker of Wood River Precinct 3, a post never before filled on the Democratic county committee, was defeated overwhelmingly.

Opponents to the plan indicated that township and district committee chairmen of the 12 districts are considered as vice-chairmen of the county committee and that the election of a vice-chairman would detract from their authority.

One would have changed the method of selecting members of the 32-member executive committee which is now made up of the 12 township and district chairmen and 20 other members recommended by the township and district chairmen and appointed by the committee chairman.

The resolution, if approved, would have provided for election of executive board members within each of the 12 districts.

The other would have required the secretary-treasurer to furnish each committeeman with a financial report. It was rejected after it was noted that the secretary-treasurer files a campaign disclosure report with the State Board of Elections and the county clerk's office before July 31 of each year, and that copies are available there for those interested in seeing them.

## News notes

SIUE will be the scene April 29-May 1 of the Illinois Press Association's 1976 spring meeting.

Howard H. "Bo" Callaway resigned Tuesday as President Gerald Ford's re-election campaign manager and was replaced by Rogers C. B. Morton.

Taunts widely assailed as "sick" were hurled at Alabama Gov. George C. Wallace during Presidential campaigning Tuesday in Madison, Wis. He has been paralyzed since being shot in the 1972 campaign by Arthur Bremer. Hecklers wearing Bremer masks and pushing wheelchairs shouted, "They ought to shoot you." Signs included "Stand up and be counted."

A bill given tentative Missouri House approval Tuesday would allow bars in the St. Louis convention center area and similar taverns designated by St. Louis County officials to remain open until 4 a.m. instead of the present 1:30 a.m.

Attorney General Edward H. Levi plans to order the Federal Bureau of Investigation to notify parents of children of a 17-year-long FBI program of harassment and "dirty tricks." The notification would open the way for individuals to seek destruction of information gathered about them.

Illinois Mental Health Director Dr. Leroy P. Levitt denied Tuesday that young patients at a Rockford center were subjected to systematic homosexual abuse.

The author of an influential 1966 report advocating school busing to achieve racial balance said Tuesday such busing does not work and should be replaced by voluntary busing from cities to suburbs.

The U. S. Supreme Court is hearing arguments on whether states can resume carrying out the death penalty.

Howard M. Love, new National Steel Corp. president, contributed \$1,000 in 1975 to the U. S. Senate campaign of Missouri Attorney General John Danforth.

G. H. Sternberg served as master-of-ceremonies during the weekend as the Southern Illinois Builders Association honored John Winkelmann, a Belleville Alhambra High School senior, for his winning entry in a contest to design and build shopping mall scale models.

Mrs. Linda Thompson, Socialist Workers candidate for governor of Illinois, will campaign at 8 p.m. Friday in the SIUE University Center Mississippi Room.

The Fish and Wildlife Service of the Interior Department denied Tuesday that Army Engineer Corps plans to rebuild Locks and Dam 26 at Alton do not appear to be environmentally sound and fail to adequately consider adverse effects.

The Food and Drug Administration has ordered that the Ora Con, Norquenos and Ortho-Novum SQ birth control pills be removed from sale as potential risks.

Illinois Transportation Study Committee consultants' report April 13 is expected to urge the state to scale down its plans to build 1,700 miles of supplemental freeways.

The U. S. will begin issuing new \$2 bills April 13, Thomas Jefferson's birthday.

The Illinois Supreme Court on Monday restored State Fair control to the governor.

## Drugs

(Continued from Page 1)

barbiturate capsules and tablets, cocaine and a small amount of marijuana, Bossio said.

Of the local arrests, three were made by the Granite City Police Department and three were from the Pontoon Beach area.

Sixteen persons were taken into custody in the Alton area and one was arrested in Jersey County. The other arrests were in unincorporated areas and were made by the Madison County Sheriff's Department.

Bossio would not comment whether additional arrests are anticipated, but authorities said some of the warrants for arrest remain outstanding.

All of the officers who were involved in the operation were summoned to Alton for a 5:30 a.m. briefing Wednesday and then broke into three main "command posts" at Granite City, Alton and Edwardsville.

Teams of officers then were sent to the homes of most of those sought, arresting them and returning them to the command posts, providing advice and legal assistance on the arrests.

Bossio noted that two guns and for small quantity of marijuana were all that were

searching homes, executing arrest warrants only to "pick up the bodies."

All of those arrested were then taken to the Madison County Jail at Edwardsville awaiting arraignments and the setting of bonds.

There were so many in custody at Alton that the police had to borrow a school bus from the Alton public schools to bring all of the prisoners to the jail.

After the arraignments, all of the suspects were returned to the Madison County Jail, Madison County Sheriff John Moeras for transferring 28 regular prisoners to other county jails in order to make room for those arrested yesterday.

Special arrangements also were made in Madison County Circuit Court as judges and courtroom staffs were made available at 7 a.m. Wednesday to begin arraignments and processing of prisoners.

Assistant state's attorneys and Byron worked at the command posts, providing advice and legal assistance on the arrests.

Bossio noted that two guns and for small quantity of marijuana were all that were

seized. Following the arrests, Byron's office ordered cars known used in drug sales towed to a holding area and proceedings to confiscate the cars were initiated.

Byron noted Illinois law provides that vehicles used for some felonies may be possessed by the county, providing all liens against the vehicle are paid. Three vehicles were seized Wednesday morning.

Bossio commented the series of arrests was the fourth conducted in Madison County in drug investigations since September 1975 and the ninth in the six-county area served by MEG since its inception more than a year ago.

In all nine raids, there have been about 170 persons arrested, most for drug sales, and of those taken to trial, thus far, about 97 to 98 per cent have been convicted, Bossio said.

He said the series of raids tend to slow drug traffic in the area for a short period of time. "We throw a scare into some people and hopefully keep some from dealing in drugs. At least they know there is something in the local area concerned with drugs," he concluded.

Quadracy area men arrested. Quadracy area men arrested. The charges against each and the total amount of the bonds

against each are: Larry Eugene McKenzie, 25, of 2032 Twelfth St., sale of a controlled substance and sale of marijuana, bond \$15,000; Dennis Lynn Coleman, 27, of 4148 Division St., sale of barbiturates, \$15,000; Steve Michael Jones, 19, of 4146 Highway 111, two counts of selling cocaine, \$10,000.

Also, John D. Greene, 28, of 8004 National Ave., sale of marijuana and amphetamines, \$10,000; William Elmo Stephens, 21, of 1715 Maple Ave., sale of marijuana, \$5,000; and Billie Ray Tipton, 17, of 3 Queensbury Court, Pontoon Beach, two counts of the sale of cocaine, \$10,000.

Non-Quad-Cityans charged with the sale of heroin are: George Stemm, 21, Steven Michale Baum, 22, Helena Baum, 23, Richard Henley, 28, Martha Lynn Fox, 21, James Mike Lindsay, 27, Clyde Phillips and John Gipson, 28, all of Alton, and Dennis Castello of Godfrey.

Charged with the sale of cocaine were: Thomas Joseph Schenk, 22, Leslie Applegate, 22, and Mark William Davis, 21, all of Alton.

Charged with the sale of marijuana are: William Earl Buckler III, 23 (2 counts), Byron Wayne Sutton, 26, both of

Alton; Jack Ranel Hyden, 20, Meadowbrook (2 counts) and Tommy D. Underwood, 26, East Alton.

Sales of MDA acid were charged against Thomas Bernard Schneider, 22, Roger William DeGerla, 23, and Gregory Paul Fuchs, 20 (2 counts), all of Alton, and Steven Lee Johns, 20, Bethalto.

Amphetamine sales were alleged against James Cocozza, 24, Edward Royce Scholar, 22, and Cecil Thomas Ketterer, 32, all of Alton.

Allegedly having sold barbiturates were Henley and Mark Alan Birmingham, 21, Alton.

Also charged are Bobby Louis Hoffman, 19, Wood River, sale of LSD acid, and Lance Michael Gold, 18, Bethalto, delivery of a controlled substance.

The arrest of Danny Seibold, Alton, on a charge of unlawful delivery of heroin was announced later. His bond was set at \$10,000.

As of this morning, 13 of those arrested had been released on bond, including Greene and Stephens.

Others released were Fortner, Schlar, Lindsay, Sutton, Buckler, Schneider, DeGerla, Gipson, Schenk, Fuchs, and Birmingham.

## Guide to Dining, Dancing and Entertainment

**AWARDS BICYCLE.** Jaycee Frank Ramsey presents 10-speed bicycle to Judy Leiper, center, following the Jaycee-sponsored matinee at the Washington Theater. At right is the winner's friend, Kelly Moore. Both girls are from Glen Carbon. More than 2,500 tickets were sold for the show. Proceeds will be used by the Jaycees to finance community projects, Ramsey said.

### Formal Saturday

The annual spring formal dance for Granite City High School South students will begin at 7:30 p.m. Saturday with dinner, followed by dancing at Stan Musial and Biggie's Restaurant in the St. Louis Hilton Inn, 10330 Natural Bridge Road, St. Louis.

The theme for this year's prom is "Just You 'N Me," a song by Chicago. The brass band "Progress" will provide music.

BICENTENNIAL DECOR is evident on this Granite City Street Department truck. The red, white and blue vehicle was being used on the 1800 block of Delmar Avenue by Marion Weiss and James Cavness, street

department employees, to cut out a sidewalk area for one of a number of trees being planted by firms in the downtown business district. Watching them is Paul G. Halbert, general manager of the Press-Record.

She is pictured last week dancing with Julia Major, also of Granite City, at the seventh annual spring Senior Citizens Fair at Southern Illinois University at Edwardsville. Mrs. Kushmit, who will be 75 in June, has been to all seven of the senior fairs held at SIUE. A member of the Granite City American Association of Retired Persons, she works with the Nutrition Program in Granite City. Mrs. Major also is a member of AARP and plays the maracas in the AARP Kitchen Band which performed at the Senior Citizens Fair.

## 'Formal' thinking urged for would-be scientists

Steven G. Sanders, SIUE professor of physics, feels that students planning to train as scientists should be formal thinkers by the time they enter college. He says new data suggests that only 50 per cent of college freshmen are formal thinkers. Therefore, he feels, colleges as well as pre-college institutions must concern themselves with "effecting the transition from concrete to formal thinking." The professor recently received an award from the SIUE Faculty Development Program for his research proposal, "Toward the Development of Teaching Effectiveness Through the Application of Piaget's Hypotheses."

Piaget's theory is concerned primarily with structure rather than content; with how the mind works rather than with what it does. The theory is concerned more with understanding than with prediction and control of behavior. To achieve the goal of teaching students how to think, Sanders feels that teachers must be able to identify whether their students are "concrete or formal thinkers."

Tests have been developed that appear to be able to do this, Sanders said, but the tests are usually calibrated against results obtained in what is called a "Piagetian interview." Sanders believes such interviews are time-consuming and difficult to arrange for large numbers of students. "It is necessary to find evaluation instruments which can serve in lieu of the interview and which are effective in classifying the students," he said. During the 1976-77 academic

## Coupon book sale in Quad-Cities for River Festival 1976 season

Quad-City area volunteers selling Mississippi River Festival pre-season coupon books held their organizational meeting at the home of the area chairman, E. M. Schroeder. Those in attendance were given a brief glimpse of the 1976 season, which will begin June 23.

The Festival will once again offer cultural and entertainment events for all—classical, rock, jazz, pop, chamber and folk music.

There will be films, dance groups, arts, crafts and also dining under the stars for those who wish to take advantage of the food service available to Festival-goers, Schroeder said.

As a special feature of the meeting, the volunteers were shown a preview of a new tape and slide program on the Mississippi River Festival.

The program was created by Southern Illinois University at Edwardsville as a means of showing interested clubs and organizations the facilities and scope of the MRF.

All in attendance agreed that the program was well-made and that it should help publicize the Festival.

Schroeder went on to note that, with this year's expanded season, the role of the volunteer is more important than ever before. "The selling of the coupon books is and will be a major factor in the success of the Festival," he commented.

Each volunteer was given a kit containing Festival information in addition to a number of coupon books.

Each coupon book sells for \$20 but contains coupons worth \$25. The coupons may be exchanged for any price ticket for any Mississippi River Festival event.

The coupon book purchaser thus gets five dollars worth of tickets free. This year, as an added bonus, each coupon book contains discount coupons for Festival food services.

Volunteers were told of another advantage of buying coupon books—only coupon holders may purchase reserved seats during April.

"This means that people with coupon books will have the first choice of all seats for all performances, especially important for popular, sell-out shows," Schroeder said.

Area volunteers from whom coupon books may be purchased include the following Granite City residents: Mrs. James Byers, Ron Coleman, John Fornaszewski, Mrs. Arthur Greenwood, Mrs. James Henderson, Ed Kirby, Mrs. Frank Mercer, the Rev. Don Pierson.

Mrs. Leon Scroggins, Mrs. Alan Skirball, Irvin Slate, Mrs. Mary Ann Smith, Mrs. Lee Stevens, Miss Annette Tarpo and Mrs. David Wilson.

Mrs. John Lee of Venice and Mrs. Mike Sasyk of Madison are among three handling coupon book sales.

Local businesses that can be contacted for additional River Festival information and/or coupon book sales include:

Fornaszewski Music Store, Floral Original Flower Shop, Mercer Mortuary and the First National Bank in Madison.

Any area club or group wishing to see the slide and tape

program dealing with the River Festival may contact E. M. Schroeder by calling 878-3292 or 876-4321. The same numbers may be called for any information concerning the MRF.

## Canvass supports board vote

Although some vote totals changed, the official canvass of votes cast in Madison County Board races during the March 16 primary election verified the same winners. Unofficially declared election night, it was announced Thursday.

The canvass showed no changes in vote totals, however, in the four Quad-City area County Board districts where seats are up for election. There were no Republican filings in any of those four districts.

The canvass was signed Thursday by canvass board members James Chapman, Jane Reese and County Clerk Evelyn Bowles.

It showed Herbert "Junior" Milton the Democratic winner in District 22, Jay D. Maurer, successful in District 23, Arthur W. "Cooper" Moore the nominee in District 24, and Homer M. Boothman winning a three-way race in District 25. All four are incumbents.

Moore defeated Gary R. Novich by only 19 votes, 924 to 905, the canvass showed, verifying the totals published after the election.

Milton collected 551 votes to 440 for challenger Jim Purdue Sr. Maurer won the nomination with a 1,071 to 367 vote edge over Jake Hagop Varadlian, and Boothman collected 500 votes to defeat Joe Boyer with 456 and Chris W. Novida with 253.

In other County Board races, incumbent J. J. "Doc" Gramlich collected 900 votes to win unopposed the Democratic nomination in District 1 while O. A. Weindel garnered 60 Republican write-in votes for

that nomination. Incumbent Paul O. Riebold was successful in a four-way race for the District 2 Democratic nomination with 604 votes. J. Buck Barsch had 548 and J. Robert Schuck and James E. Saffel Sr. tied with 72 votes each.

Incumbent H. Jack Frandsen was unopposed for the Democratic District 3 nomination and received 948 votes. Republican Udell Wehling, unopposed Republican in that district, won with 267 votes.

Republican incumbent Homer Henke received 239 votes to take the GOP nomination in District 4. There was no Democratic nominee selected.

In District 7, incumbent William L. "Bill" Little won on the Democratic side with 569 and Earl R. Herrin, Republican, garnered 158. Neither had opposition.

Richard Hugh Worthen in District 9 had the only overthrow of an incumbent as he collected 580 votes to 510 for incumbent Edward D. "Big Ed" Voismard.

Rodger J. Elble, a Democratic incumbent, was the only candidate in District 14 and received 975 votes.

In District 17, incumbent Donald W. McLean received 989 votes as the only Democratic candidate and Frank Flannigan was the Republican nominee with seven write-in votes.

Incumbent Charles F. Bode won the Democratic nomination in District 18, defeating Earl Legate 864 to 167. Orville C. West won on the Republican side with five write-in votes.

Michael Semanisin, Democratic incumbent, was unopposed by either party in District 27 and tallied 1,286 votes.

Frank Vivod won a three-way race for the Democratic

nomination in District 29 with 406 votes. Edward C. Cook had 387 and John Forneris had 348. Susan L. Burroughs, the sole Republican candidate for that seat, earned 103 votes.

## 5 on Dixon slate win as delegates

Alan J. Dixon, state treasurer of Illinois, proved to be the top vote getter for delegate to the Democratic national convention from the 23rd Congressional District, the official canvass of the votes for the district showed Thursday.

The district includes St. Clair County and 10 townships of Madison County, including the Quad-Cities. Dixon gathered a

total of 22,244 votes in the district. Others who won delegate positions were Patrick Sullivan with 15,417 votes, district-wide; Fannie G. Jones with 14,445; Robert L. Bergman with 14,103; Robert Mays with 14,037; and Charles Hester with 13,714. All the winners were on a slate headed by Dixon, except Mays. The unsuccessful candidate on Dixon's slate was John Ubaldi who tallied 11,397 votes in the district.

All of the winners ran uncommitted to any presidential candidate. There were 111 who ran uncommitted, who gathered a total of 55,942 votes in Madison County.

Six delegates candidates committed to Gov. George Wallace tallied 28,167 votes in Madison County, six committed to Gov. Dan Walker collected a

total of 25,082 votes, three delegate candidates committed to Gov. Jimmy Carter garnered 13,086 votes, and four committed to Sen. Fred Harris collected 7,676 votes.

One delegate committed to Sargent Shriver earned 1,796 votes and one for Sen. Walter Mondale had 2,465 votes.

Madison County totals for each Democratic delegate candidate were: Dixon 8,019; Mel Jones (committed to Wallace) 6,787; Hester 6,800; George A. Rogers Sr. (Wallace) 5,680; Bergman 5,621; Sullivan 5,565; George Vickery (Wallace) 5,368; Bob J. Waterson (Wallace) 5,250; Fannie Jones 5,173; Carmen Grider (Wallace) 5,062; and Mays 5,038.

Other candidates' results in Madison County, with commitments in parentheses, were: Ubaldi (uncommitted) 4,973; Gary Pears (Walker) 4,951; Helen Hawkins (Carter) 4,882; Kathy Lynn Anderson (Walker) 4,831; Roy Louis Wilimzig (Wallace) 4,852; Margaret Blackshere (uncommitted) 4,378; and Richard Allen (Carter) 4,341.

William A. Dallas Jr. (uncommitted) 4,050; Teresa Benez (Walker) 4,034; Charles I. Weltzman (Carter) 2,863; Arthur E. Adams (Walker) 3,832; James W. White (Walker) 3,747; Charles Powell (Walker) 3,687; Julie Freedman (uncommitted) 3,357; Michael J. Godt (uncommitted) 3,305; Steve Maragides (Mondale) 2,465; Edward V. Becker

(Harris) 2,239; Thomas E. Wolff (Harris) 2,207; Tom Chorlton (Shriver) 1,796; Jan Heid (Harris) 1,623; and James E. Glick (Harris) 1,607.

While the Madison County Democrats voted heavily in favor of uncommitted delegates, the Republicans cast the majority of their delegate votes for delegates committed to President Gerald R. Ford or Gov. Ronald Reagan.

The four Ford delegate candidates collected 8,355 votes in Madison County while four Reagan delegate candidates garnered 6,919 votes. Only 1,061 votes were cast by Republicans for the two uncommitted candidates.

William D. Stiehl (committed to Ford) received 2,271 votes to head the list of Republican delegate candidates in Madison County. St. Clair County totals for the Republican delegate candidates were still unavailable.

Other Republican delegate candidates and their Madison County tallies were: Willard Barthel (Ford) 2,133; Betty A. Seppi (Ford) 2,065; Erwin H. Weder (Reagan) 1,921; Gerald B. Cohn (Ford) 1,876; James H. Crain (Reagan) 1,851; Robert E. Glenn (Reagan) 1,851; Jacquelyn C. Smith (Reagan) 1,296; Paul Sauger (uncommitted) 791; and Rufus T. Burns (uncommitted) 707. Ten candidates completed for three alternate delegate positions on the Democratic side with uncommitted candidates winning. Mary Jean Ring tallied 7,262

## Auto overturns

Three Collinsville residents were taken by an Edwardsville Fire Department ambulance to St. Elizabeth Hospital last week following an accident in which a car overturned.

Grant Overhult, 19, suffered injuries to his right shoulder, right upper arm and right ankle and was admitted after x-rays were taken.

David Homes, 20, also was admitted with an abrasion to his left elbow and a puncture wound to an arm.

Randy Isenhardt, 20, suffered abrasions to his right leg and right elbow and hematoma to his forehead. X-rays were taken and he was released.

John J. Rekowski 6,783; and Cheryl D. Byers 6,230, to lead in votes in Madison County. All were uncommitted.

Other alternate delegate candidates on the Democratic side, and their Madison County total votes were: Carol E. Rogers (Wallace) 5,021; Gerald L. Grider (Wallace) 5,694; Martha Wilson (Walker) 5,520; Geraldine Popov (Wallace) 5,077; Richard F. Meile (Walker) 4,979; and Willie F. Johnson (Walker) 4,447.

Republican alternate delegate candidates competing for four positions, and their Madison County vote totals were: Charlotte Longworth (Ford) 2,587; Marvin Wright (Ford) 2,109; Dean Wallen (Reagan) 1,895; Janet B. Wilson (Reagan) 1,802; Edward R. Anderson (Ford) 1,830; Kenneth Fox (Reagan) 1,820; and Russell H. Classen (Ford) 1,639.

AGAPE YOUTH CENTER, 80 Briarwood Drive, which officially was opened during the weekend, for the benefit of the youth in the area and sponsored by the Briarcliff Pentecostal Church. Shown at the ribbon-cutting ceremony from left is Doug Cook, Tiny Cook, Tammy Cook, Tom Smith, the Rev. Wayne Miller, Lisa White, Mary Miller, Christy Strannigan, Becca Miller, Carmen Bolin, Tracy Cook, Inge Bolin, Cindy Miller, Jerry Davis and Arthur Angelly.

## Agape Youth Center opens

The Agape Youth Center located at 80 Briarwood Drive, a project sponsored by Briarcliff Pentecostal Church, was opened during the weekend to a capacity crowd. The church pastor, the Rev. Wayne Miller, announced today.

He added the center will be open each Friday at 7:30 p.m. for sessions on "informal rapping about common things of youth." Personal counseling is available to all youth in related problems of drugs, drinking and conflicts in the home.

Counseling for marital problems also is available by the pastor. Interested persons may call 451-1555 for an appointment at anytime, Rev.

Miller said. Rev. Miller said: "These days could be our last chance to reach this dissatisfied, unfulfilled yet extremely intelligent generation."

The pastor said, "it was during a recent crusade by David Wilkerson at Granite City South High School that I was motivated to do something new for our youth who have problems with drugs, alcohol, conflicts at home or communicating with a real world."

The members of Rev. Miller's congregation responded in raising funds as a down payment for the property at 80 Briarwood Drive and the young people have been involved in projects in raising funds selling Dairy-Queen home books.

## Horse and Pony Day April 3

By DAVE FISCHER  
Agricultural Extension Adviser  
Horse and pony owners and enthusiasts can learn about horsemanship and see Olympic horses and riders at Horse and Pony Day, Saturday, April 3, in the University of Illinois Stock Pavilion, Urbana.

The program will begin at 8:15 a.m. with registration films, exhibits, and breed literature displays. At 9:30 a.m., the Illinois quarter horse youth team will demonstrate showmanship, western and hunt seat equitation, reining, and proper attire. Representatives of Creek View Stables, Belvidere, will demonstrate training and showing working hunters.

During the noon hour, demonstrations on horse health, foot care, tack, grooming and show preparation will be presented. The afternoon program will feature comparative evaluations of various types of harness ponies, English performance horses and Western pleasure horses. Olympic Grand Prix Horses from Friendship Farms, East Moline, and members of the Japanese Olympic Equestrian Team will be featured in dressage demonstrations.

Horse and Pony Day is sponsored by the University of Illinois Department of Animal Science and the Cooperative Extension Service. For further information Quad-Cities may contact Mark A. Russell, extension horse specialist, 105 Stock Pavilion, Urbana, 217-333-1784.

## Attends New York hairstyling show

## Post 307 observes Legion's 57th year

The 57th birthday of the American Legion was celebrated during the weekend at Venice-Madison American Legion Post 307 in Venice, with 250 people attending a dinner and initiation ceremony for eight new members.

Presiding at the session were Commander Balazs Magyar and Miss Dorothy Hinson, president of the auxiliary.

Members of the initiatory team were Commander Magyar, Joe Garcia, Steve Wilcox, Richard Pittenger, Gary Swift and Kenneth Hinson. Membership awards were given by the Post 307 and Auxiliary to those belonging to the organizations from five to 40 years. Special recognition was accorded to both life and charter members.

Frank Steinman was in-

duced and honored for being at the first caucus in Paris, France, in March 1919, when the American Legion was founded. He also is a life member of Post 307.

Miss Hinson, assisted by Junior Auxiliary members Peggy Green and Sherry Baker, presented an historical flag ceremony, using 18 of the United States' former flags.

Commander Magyar presented the keys to a minibus, which was purchased by Post 307, to representatives of the Madison County Association for Retarded Citizens.

Accepting the gift were Herschel Teller, president of the group, William Bebell, executive director and Richard Powell, supervisor of supporting services. The minibus is painted gold, with the lettering "Happy Van," on each side, it was noted.

Guests present for the observance were Herb Neff, 22nd District commander from Smithton; Ralph Bloomhorst, senior vice-commander, 22nd District from Venedy; Kenneth Leroy, commander, Madison-Bond County Council, from Highland; and William Barker, 22nd District junior vice-commander, from Granite City.

Following the program, a dance was held.

## GC garden clubs win district awards

Members of the federated garden clubs of Granite City attended the 24th annual meeting of District V, Garden Club of Illinois, Inc. last week at St. Paul Lutheran Church, Fairview Heights.

Newly elected officers installed for two-year terms are: Director, Mrs. Finis English, Belleville's vice-chairman, Mrs. Arthur Buesch, Belleville; and corresponding secretary, Mrs. Robert Overton, Mascoutah.

Mrs. A. A. Malottki, Granite City, will fill the unexpired term of Mrs. Wilford Cooley, also of Granite City, who resigned as recording secretary. Mrs. Stephen Shea of Belleville was the installing officer.

Mrs. Arvid Nelson, retiring director, presided at the morning session when officers and committee chairmen gave their reports. The welcoming address was given by Mrs. Dorothy McMullen, president of Shiloh Valley Garden Club, the host club. The response was offered by Mrs. English.

A special guest was Mrs. James Dawson of Elmhurst, state president, who addressed the assembly of 93 women. Mrs. English reported an organizational meeting will be held Thursday, April 29, in Belleville.

The awards chairman, Mrs. B. C. O'Neill, Cloverview Club, announced the winners in the History and Yearbook contests.

Blue ribbons went to Cahokia, Cloverview, Friendship, Lakeview, Lebanon, St. Clair County and Winstanley clubs for history books and red to Mascoutah and Shiloh Valley.

For yearbooks, blue ribbons were awarded to Cahokia, Cloverview, Collinsville, Edwardsville, Friendship, Gardenaires, Garden Study, Lakeview, Lebanon, Mascoutah, St. Clair County, Shiloh Valley and Winstanley.

Mrs. Norman Richter, exhibits chairman, announced the winners in the artistic arrangements on display. Mrs. William H. Bradley, Cloverview, won a yellow ribbon in the class "Joyful, Joyful We Adore Thee" using all fresh material suitable at a place of worship.

In the horticulture division Mrs. Richard Branding, Cloverview, won a blue and two red ribbons for houseplant entries.

After a luncheon, Mrs. Earl Jukes, program chairman, introduced Mrs. B. J. Iselhardt, Edwardsville, a past director and widely known flower arranger whose artistic skills were demonstrated in five exceptional arrangements. Mrs. Homer Correll gave a humorous program, entitled "What it Takes to be a Director."

Attending from Granite City were: Cloverview—Mrs. Branding, Mrs. Bradley, Mrs. O'Neill, Mrs. John Jenkins and a guest, Mrs. Sally Bracey;

Gardenaires—Mrs. Charles Kohl, Mrs. Richard Kerch, Mrs. Earl Glenn, Mrs. Malottki, Mrs. Mary Kristian, Mrs. William Long and Mrs. R. K. Heintz; and Garden Study—Mrs. C. E. Eads, Mrs. George Stearns and Mrs. Wilmer Winter.

## Lake PTA invites school candidates

Lake School PTA has invited all candidates seeking election to the Granite City Board of Education to participate in an open forum at 7:30 p.m. Monday, at the school.

Candidates responding, who will discuss their platforms and answer questions from the audience, include Ruth Andrews, Delton Groothuis, Norman Hall, Dewey Meltan, Dorothy Phelps and Steven Saitch.

Pat Withers, PTA president, said the meeting is open to the public. All PTA members and other residents of the school district are invited to attend.

Monday's program is not a regular PTA meeting. Withers said. The next monthly session will begin at 7:30 p.m. April 20. The Granite City School Board election is scheduled April 10.

## Future Secretaries hear alumni

FSA Alumni Dorothy Miller and Carol Schwiervohn were featured at the Future Secretaries Association (FSA) meeting held at Granite City High School North last week.

The former students told an audience of over 40 FSA members about their duties, co-workers, working conditions, fringe benefits and salaries. Among the questions asked by the current members were the type of clothes they could wear to the office, whether they found a great need for their typing and shorthand skills, and if they enjoyed their working days more than their high school days. The answers varied, according to the speaker.

Dorothy Miller is employed in the Wire Transfer Department of the First National Bank in St. Louis. Carol Schwiervohn works in the Madison County Courthouse in Edwardsville, dealing with traffic tickets.

President Nancy Bezan called the meeting to order, and the members recited the code of ethics. Rhonda Brawley read the minutes of the previous meeting, and Becky Batsan gave the treasurers' report.

In conjunction with a field trip to an office in St. Louis next month, members agreed to try and schedule a trip to Six Flags, with the chance of a "behind-the-scenes" look at office operations there. If arranged,

the cost of each person's admittance to Six Flags will be paid by the FSA Chapter.

Nancy Bezan discussed going to the Madison County Sheltered Care Nursing Home to entertain the residents there during school spring vacation. A date, April 12, was selected and about 30 volunteers agreed to go. Members will leave the high school between 6:30 and 7 and spend the evening, having games for the residents. The chapter also will furnish the prizes.

Mrs. Charis Vunovic met after the meeting with the 14

seniors who will spend a day in the office with Tri-Cities Chapter NSA members. The event is set for Tuesday, April 20.

### Easement signatures key to prompt start on sanitary sewers; 75% financial help if project proceeds now

Guest editorial by Walter "Dick" Sparks, chairman of the Madison County Board special sewer committee that currently is seeking to develop a major sanitary sewer system in local areas not currently served: We have been working very hard since 1969 to provide sewers to people living in the Chouteau, Nameoki, Venice and Granite City Townships sewer project area. We have been trying to get financing from the federal and state governments to help with the project started.

Things did not look very promising until about ten months ago when Governor Walker and the Illinois Environmental Protection Agency decided to finance 75 percent of the construction cost of six regional projects. At that time, we were far enough advanced with our program to be included as one of the six.

Since then, the committee, the engineers and everyone connected with the project have worked hard to keep the project moving ahead to meet the EPA deadlines and receive our grant. We have had some problems to overcome; some we have solved and some we haven't yet solved.

Due to changes in the bond market and due to inflation raising the cost of construction, we were informed by our bond counsel that we could not finance the project with revenue bonds and, therefore, would have to go to special service area general obligation bonds.

This method we believe will decrease the amount of bond cost, and we will be able to get the bonds sold for Area One. There may be some problems in Area Two and Three which we will only be able to determine when we get farther into the program and see what decisions can be reached. We believe that in due time these will be solved.

A few people have spent unnecessary doubts about whether we will be able to get this project going. Believe us when we say we will get it started and finished if everyone does his and her part by supporting it completely. The EPA is assured that they want the job done.

We are thankful to everyone who has helped in any way to get the project advanced as far as it is, especially the people in Chouteau Township and elsewhere who have cooperated most generously by signing the easements.

The biggest problem we have at this time is securing the rest of the easements, mainly in parts of Nameoki Township; there are some parts where only a few people have signed. This I do not understand, since we have had such good results in Chouteau Township, and the Nameoki Township problems must be at least as bad as ours.

If we do not get the property easements signed, we could change the plans and put the sewers in the streets, but this would cost the people a lot more of their own money to get connected to the line—and also would cause the streets to be unnecessarily torn up. It would result in the job costing more for everyone.

Some say they don't need sewers. If we really stop and consider the health of our families and neighbors, we are likely to agree that water in yards, streets and ditches can become contaminated and cause sickness and infections for children and grown-ups. Bad odors in some areas are caused by overflowing systems and ground pollution. Also, in a lot of homes the plumbing does not work satisfactorily.

The committee has been meeting with several organizations which want to help in any way they can to aid in getting all of the property easements. We hope to have some of them calling on the people who have not yet signed. We need citizens' signatures and citizens' support to get the project under way this fall.

The cost of construction seems to go up at about one percent per year. The project has already increased at least \$5 million since it was first figured, and the longer it takes to get started the more it will cost.

Earlier or later, all urban areas must have sewers to survive. We are no exception. Now is the time to get sewers while we have the grant funds that will pay 75 percent.

If we expect to live in a healthy environment and increase the growth and development of our area, this sewer project is a "must."

To all who have not signed an easement, please sign now. Let's not encourage our neighbor, nor let him discourage us. We will be happy to call on anyone to discuss any questions they may have if they will send a card with their name and address to Walter "Dick" Sparks, 613 English Place, Granite City, Ill. 62040.

We have two requirements left to complete—

1. Obtain all necessary easements.
2. Sell bonds to raise our 25 percent of the cost.

Our bond counsel has assured us that the bonds can be sold for Area One, so the only real problem we have in Area One is getting the cooperation of the people who have not signed, primarily in portions of Nameoki Township.

The sewer committee will be more than willing to meet with all who have questions they would like answered.

## Miscellany

### 115 flu deaths in 1918-20

Preparations for massive nationwide vaccinations this fall are intended to prevent the influenza epidemic of the proportions encountered here in 1918.

Dr. Byron Francis, state epidemiologist and chief of the Illinois Public Health Department's communicable disease control section, believes Illinoisans if not vaccinated are highly susceptible to the swine flu virus, which he said claimed 11,761 lives in this state in 1918. The national death toll was estimated at a half million Americans.

"There is no reason to think the swine strain is more dangerous than other types of influenza. But since it is radically different than those prevalent in recent years, existing flu vaccines offer little or no immunity from swine flu," Dr. Francis said. "The more people who get it, the more who have a chance of dying."

Press-Record files show 400 cases and at least 80 deaths in the Quad-City area in 1918 and 800 cases with 35 deaths in 1920, with a less severe recurrence in 1919.

In the fall of 1918, schools were closed here for weeks at a time as public gatherings were banned. The epidemic was still at its peak when St. Elizabeth Hospital was filled to capacity, and over 500 patients died in the temporary facilities at the Masonic Temple in Granite City.

For 1918 alone, influenza deaths included 8,500 in Chicago, 240 in Springfield, 68 in Alton, 26 in East St. Louis and 186 in Bellview.

A film is being shown at 7 and 8:45 tonight at the Collinsville Theater and at 7:30 and 9 next Thursday evening, April 8, at the Judevine Center for Autistic Children, 504 Lincoln Highway, Fairview Heights, to help explain the life and family services for autistic children.

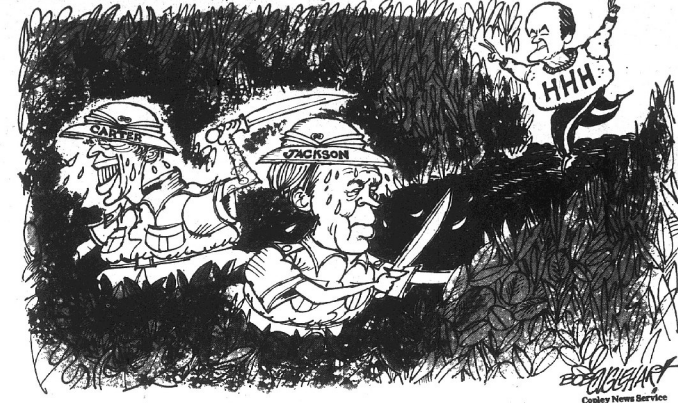

The film involved in the benefit shows is "The Wild Boy of Aveyron." About the year 1800, a young boy was found in the forest of Aveyron in Southern France. The boy was naked and dirty, and looked like a wild beast.

His habits suggested that he had adapted successfully to life in the forest. He climbed trees, drank from brooks, ate plants and walked with a bent, ape-like gait. He made no human sounds. While he didn't respond to some noises, such as slamming a door, he did react to the clucking of hens.

The film begins with his brutal capture. He was captured by a pack of dogs, led around by villagers at the end of a rope, and treated like a zoo animal. Finally, he was sent to a school for deaf-mutes in Paris. Once he was in Paris, he was examined and analyzed. On the verge of being committed as an idiot, he was placed in the care of Dr. Jean Gaspard-Irard.

Dr. Irard's work for his work with the deaf-mute, took the boy home to live with him. Dr. Irard's records of his attempts to civilize the child provide the text and story of the film.

### Frames are still prominent in future of car makers and Smith

By LLOYD B. SMITH  
and JOHN R. PARKER  
President

A. O. Smith Corporation has emerged from a difficult period to a leaner, harder company — fully prepared to take advantage of the opportunities our markets will provide in a gradually improving economy.

We look to the future with optimism. Last year we predicted stormy weather for the economy in general and for A. O. Smith Corporation in particular. Unfortunately, both these forecasts proved correct.

"The film forces viewers to reflect on the losses and gains in the 'civilizing' process," a spokesman said. "Scenes of the child dancing in the moonlight, of a fiddle escape to the wilds where he can no longer survive, contrast with the sometimes tedious and austere lessons he follows with Dr. Irard. What Irard considered humanizing may have been the viewer's loss. Was it worth it? Dr. Irard thought his efforts were for the best; his first attempts have had many others to work with children who have previously been left for hopeless."

A BAURET MIRROR that haunted Abraham Lincoln before he left his Springfield home for the White House may have reflected the faces of visitors to the Illinois shrine.

The Lincoln mirror, undoubtedly the same one his wife Mary said foretold his death, and other furniture have not been in display in this century.

Rep. Paul Findley, the congressman from Lincoln's district and author of the bill creating the Lincoln Home National Historic Site, has urged Director Gary Everhardt of the National Park Service to buy Lincoln's furniture and return it to the home for America's Bicentennial.

The Lincolns sold their Springfield place when he was first elected President in 1860. A number of items, including a haircloth sofa and a mahogany bureau Lincoln used in his bedroom, have been in

A large share of the company's continuing business are associated with the automotive and housing industries. These two segments of the economy were particularly hard hit and remained depressed for most of the year.

Nonetheless, as a result of vigorous cost management programs, continuing operating units serving the automotive and housing markets have improved results in 1975 compared with 1974.

The livestock and dairy portions of the agricultural market had a particularly difficult time in 1975 and, for the first time in recent years, our

Harvestor subsidiary suffered a decline in both sales and earnings.

The problem was compounded by start-up costs of \$2.9 million for a new 400,000-sq.-ft. manufacturing plant. This subsidiary incurred a substantial loss in 1975.

However, combined earnings from all continuing operations, including the large loss at Harvestor, were about the same as a year ago.

Several important actions were taken and decisions made regarding approved plans to dispose of Bell Motors Ltd., located in Ipswich, England, whose main product line is elevator motors, and Arner Elevator Canada Limited.

Earlier, the company announced it had sold its U.S. elevator business, Arner Elevator Co., Inc., effective Sept. 30, 1975, and the Meter Syringe Division, which manufactures petroleum measuring systems, effective Jan. 1, 1976.

The events of the past several years, starting with price controls, the Arab oil embargo, inflation and recession and their effects on the company and particularly on the elevator business, caused us to reassess our strategy.

It was decided to embark on this divestiture program to insure the liquidity necessary to maintain control arms, with unit volume down 11 percent from 1974.

This resulted from the general decline in U.S. car sales, which severely affected the company's major control arm customer.

Energy conservation considerations have assumed a major role in the design of automobiles and the industry is responding to these considerations by planning and designing lighter and smaller cars to save fuel.

Nevertheless, many of these cars must still provide adequate interior space for five or six passengers.

During 1975, A. O. Smith conducted successful programs to demonstrate that the separate, or isolated, frame for all but the very smallest of cars is still the most effective method of automobile construction from the standpoint of weight, cost and passenger satisfaction.

The company has every reason to believe that isolated separate frame construction will remain the standard of the industry for intermediate and large cars. Furthermore, the value of isolated structure is gaining increasing recognition for smaller cars.

As of the end of 1975, A. O. Smith Corp. has proven that isolated frames in passenger cars provide a quieter and more comfortable ride.

The challenge to design and manufacture structure for the smaller and lighter cars — and still furnish the ride characteristics demanded by the passenger buyers — is one the company feels confident it can meet.

Consumer preference for passenger cars which have the quality features provided by an isolated, separate frame was demonstrated in 1975 by this fact: of the five top-selling cars in America, four were constructed with full-length separate frames.

Both profits and sales showed good increases in 1975 at Manufacturers Metallicas Monterrey, S.A. a 40 per cent owned affiliate in Mexico.

To meet increasing demand for full-length truck frames and other automotive structures, a 30,000-sq.-ft. plant expansion was begun during the year.

### Venice incumbents are commended

To the Editor:

For the past two months we, young people of Eagle Park, have been trying to put together a strong organization that would have an impact on our community.

On March 18, we were chartered as the Eagle Park Action Committee (EPAC) by the State of Illinois.

Danny Gardner is chairman, Eddie Harper is secretary, Johnnie Jackson is treasurer.

Eddie L. Salmon registered agent and Annie Mosby, Harriet Williams, Ralph Madison, William Gathright and Kurt Gathright are members.

EPAC was created for the sole purpose of developing improvements in such areas as school, street conditions, housing, businesses and our voting record.

On Sunday, March 28, the first election of business on our street was the passage of a resolution

to support and back the Rev. Dr. Martin Luther King Jr. and his Leathernan in his bids for reelection to the Venice School Board.

EPAC board members share a strong feeling of respect for Rev. Bailey's and Mrs. Leathernan's performances as board members.

### Systems analyst would help schools

To the Editor:

Although School Board elections should bring the highest voter turnout and create the most interest, they are often the worst victim of voter apathy.

Yet, Boards of Education affect our daily life more directly than any other governmental agency. They have direct responsibility for our children, our most precious national product.

They are the biggest spenders of our property tax dollars, with budgets into the millions of dollars.

A community's schools affect the property value. Good quality education brings property values up and a poor educational system will bring property values tumbling down.

A school system is like a mirror of a community and can be the deciding factor in attracting new industry.

So, for practical reasons as well as supporting our democratic ideals, it is important that every eligible person vote in the School Board election on April 13.

We have a good school system, but we must constantly strive to maintain and improve it in the face of many complex

problems—decreasing enrollment, inflated prices, unsure state aid factors, and an increasing disenchantment among students, parents, teachers and the business community with the present school situation.

To maintain and improve our school system, we need school board members of a high caliber. We need men of vision. We need leaders who will listen to the people with an open mind, leaders who will encourage two-way communication.

We need leaders who will function honestly and independently of special interests. We need leaders who will get the most from our tax dollar, but not to the detriment of our children's education.

Edward Dewey Melton is such a man. In his job as senior systems engineer for IBM, Ed is directly involved in problem solving every day. His talents and experience in this area could help our district immensely.

He listens when you talk. If he disagrees, he will tell you and give his reasons.

He lost support of the teachers' union, of which I am a member, because he stated his views even though he knew it

could cost him votes. He will listen to all points of view and consider them carefully, but in the end he will decide on what he feels is best for the district as a whole.

Melton knows the value of a dollar. He is careful with his own personal finances and I'm sure he would be with the district's money.

His background in his analysis background to save our district money, but he would not be pound wise and penny foolish. Ed is a warm, loving father of three children whom I'm sure he would not harm through unwarranted spending cuts.

He is a man of intelligence. Melton is sympathetic to the needs and problems of educators and taxpayers. He deeply cares about our children.

### Ambulance service fast, skilled

To the Editor:

Michael's Ambulance Service deserves to be thanked for a job well done. He has only been in Venice just a little while but he is performing an excellent job.

We need such people, who care about the persons being served. With Michael's and our beloved Officer Service, we are getting the kind of service we need.

JOHN HENRY WILLIAMS 617 Washington St., Venice

### Many restrooms being made available

To the Editor:

I felt that it was necessary for us as one of the Downtown merchants working hard for renewal of the Downtown Shopping Area, to respond to the letter in the 48th edition of the Press-Record crying out for the need for public restrooms in Downtown Granite City.

Ideally, it would be nice to have public restrooms in Downtown Granite City. Restrooms that would be kept clean and protected from vandalism. However, I do not think the lack of public restrooms should create a major hindrance to shopping in Downtown Granite City.

First, clean restrooms are available in Downtown Granite City. We have a high school student who works for us three days a week in a clean-up capacity.

A restroom is available for anyone shopping — they don't have to be "buying" in our store. I am confident the same situation is available at a large

majority of the Downtown stores.

Secondly, I am a graduate of the University of Illinois School of Commerce and the Law School. I am a member of the Illinois Bar Association and the Illinois Society of Certified Public Accountants. I have had to ask to use a restroom numerous times. It has never fazed me before to ask to use a restroom, nor do I feel a loss of dignity by asking.

Thirdly, I cannot believe shopping Downtown is like walking into the past. We have a brand new store which I feel is very modern.

The Stefanie Shop has been renovated with new tile, new Hudson Jewellers and Top-N-Bottoms just finished a complete remodeling job. I could go on and on.

Also, we go to both coasts to bring in modern and timely merchandise. Libsons, Shoppes does the same. Marilyn's flower of Fashion uses the Dallas market along with others.

I am confident that the majority of my fellow merchants make a full effort to keep their merchandise new and timely.

Yes, Downtown Granite City could use public restrooms. It is a new challenge — forget the past and try shopping in Downtown Granite City. Second, please show your respect to the merchants who don't expect overnight improvements.

**AB, WILDERNESS!** The Miller family portrait from the St. Louis University Theater's production of "Ab, Wilderness!" The Eugene O'Neill classic about life at the turn of the century is directed by Robert O. Butler of Granite City. It will be presented at 8 p.m. April 7-10 at the Lindell Theater, 3642 Lindell Blvd. Set in 1906, the

play involves the lives of the family members, the people they know and the problems of youth and age that confront them. Butler reports, "It is more nostalgic and sentimental than O'Neill's other plays but it also is one of his most popular." He is associate professor of communication and theater at the university.

## Percy pushes for curb on regulatory bureaus

By LESTER BELL  
Press-Record  
Washington Bureau

Congress has about five more years to indulge its taste for reform rhetoric before it can really break the grip of "out-of-control bureaucracy." The timetable is Sen. Charles H. Percy's; the epithet, Sen. Edmund S. Muskie's.

The Illinois Republican and the Maine Democrat, like a widely disenchanted electorate, want the executive branch to perform in a timely and efficient fashion on pain of forfeiture of some of its tentacles. Percy addressed himself in a Chicago speech last week to the Regulatory Reform Bill (S 2812) he is co-sponsoring with Senate Democratic Whip Robert C. Byrd, D-W. Va.

Rep. John B. Anderson of Illinois, third-ranking House Republican, is co-sponsor of a similar House Bill with Rep. Barbara Jordan, D-Tex.

Muskie, chairman of the Senate Budget Committee, has started hearings on his own bill to require every federal entity and program to justify its existence before Congress every four years or suffer abolition. Percy is a co-sponsor of the Muskie bill, S 2812.

The Percy-Byrd bill would reform the regulatory agencies over a five-year period, taking several categories each year until the gamut is covered. The President would have to submit his reform plans by March 21 annually.

His version, a Congressional

version, or a meld of both, would become the immediate pending business before each house as of the following Sept. 15.

"It's time to end the rhetoric on regulatory reform and begin to act," Percy told the Executives Club of Chicago. "Otherwise, let's frankly admit to the American people that they can only expect more of the same."

He called excessive government regulation "a \$60 billion dinosaur" that has the nation's life and work in a "hammer-lock."

Reform, he warned, would mean the demise of "sacred cows," and a hard look at "sweetheart arrangements" between agencies and their special-interest ties.

"We may end up with some changes that we are not altogether comfortable with," he said.

"But if we can shake off the shackles of unnecessary regulation, we will regain the dynamism that made this nation the richest and most powerful in the world."

Muskie faults Congress for being long on talk and short on oversight in making its creations function as it envisaged in giving them life.

He says Congress has satisfied itself "with the

rhetoric of legislation, leaving the hard work of implementation—from rulemaking to evaluation—to the executive branch."

"And now these years of inattention to performance are taking their toll, as we reap a bumper crop of public disenchantment with government that can't even perform the simple day-to-day tasks that need to be done."

Muskie, speaking to liberals like himself, warned that their continued suffering of "out-focusing bureaucracy" will fritter away the reserves of budget and public trust they will need for urgent programs.

Syndicated columnist Neal R. Peirce notes that attempts to limit the life spans of federal agencies have cropped up periodically since the days of President Franklin D. Roosevelt, who laughed them off.

Peirce notes that attempts to limit the life spans of federal agencies have cropped up periodically since the days of President Franklin D. Roosevelt, who laughed them off.

If it can be done, can it be done in the time frames of Percy and Muskie? "Five years is realistic," says an aide to Percy who is handling his bill. "We think it can be done."

## Tax collection delay threat to city funds

City Treasurer Paul Rutledge told the Granite City Council last week that the city may run out of money in its general fund in mid-May and that the problem "is of prime importance if payrolls are to be met."

Rutledge said he based his estimate on revenue available from all sources including receipts of state sales tax and state income tax during April and May.

The outlook for a delay stems from the County Review Board's time-consuming task of conducting hearings on an unusually large number of assessment protests.

"You are aware," Rutledge said in a written communication to the aldermen, "that the 1975 tax collection may be delayed until Sep-

tember or October.

"This means that there can be five months of the new fiscal year that will have to be financed in some other manner." The city's new fiscal year will begin May 1.

He noted that at the beginning of the new year "the payroll will increase 8 per cent or approximately \$16,700 per month."

Rutledge said. He added that a check for \$115,000 in federal revenue sharing funds is expected the first week in April.

Alderman Sam Whitmer asked if the projected fund shortage will mean a cut in manpower, but Mayor Paul Schuler said the treasurer's

statement was to call attention to the fact that tax revenue will not be as early as usual this year. The city usually receives tax funds in June.

Whitmer remarked that "if revenue sharing ever is discontinued, the city is going to really suffer . . . not only this city but all the others too. We will be in one heck of a spot."

Schuler replied that if it gets to the point that the city is "operating in the red, then it will be time to cut payrolls."

Rutledge said after the meeting that the city spends an average of \$325,000 a month, including all claims and payrolls, and that this figure will increase after May 1 under escalation clauses of working agreements with city employees.

A report by the treasurer as of Feb. 29 showed a total of \$225,409 remaining in the general fund and a total of only \$243,789 in other funds from which transfers can be made to bolster waning general fund accounts.

## Check food jars for spoilage

By CATHERINE R. MAUCK  
Madison County  
Extension Adviser  
Home Economics

Check each jar of home-canned food before using to avoid any spoiled or contaminated food.

Before opening, examine each jar closely. A bulge or leak means that the seal is broken and the food has spoiled.

When opening the jar, check for spurting liquid, mold or a strange odor. These indicate spoilage. Food that appears too soft, mushy or slimy also may be spoiled and should be destroyed.

Even if the home-canned food looks okay, don't taste certain food right out of the jar. Bring vegetables to a rolling boil, then cover and cook at a full boil for at least 10 minutes.

Use the same method for meats, poultry, corn, and spinach; but, boil them for 20 minutes. Boiling destroys bacteria, but deadly toxins. Heating usually makes any odor of spoilage more evident.

Home-canned foods may be spoiled by mold, yeasts or bacteria. High-acid foods, such as fruits, tomatoes, and pickles are attacked by molds, which cause a fuzzy growth, or by

yeasts, which cause fermentation. Bacteria thrive in such foods as meats, poultry and vegetables.

*Clostridium botulinum*, a bacteria which produces a lethal toxin, grows in sealed jars of low-acid foods—meats, poultry, and vegetables. Although easily avoided by proper processing, this bacteria has caused several deaths.

Closely following USDA canning directions will greatly reduce any spoilage problems. To retain good eating quality, store properly canned food in a cool, dry place.

## Black history in U.S. topic of 2 booklets

Black history is shown in a new light in a two-volume set of booklets about blacks in America published by the Office of Student Affairs at Southern Illinois University at Edwardsville. "It's Been a Long Time Coming" is about past achievements of blacks throughout U.S. history.

"The book is told in short story form," according to Margaret Cook, an English and journalism major at SIUE and co-author of the booklets. "The story is about the experiences of a young man by the name of Tobias who travels throughout the Southern states."

The first volume, co-produced by the SIUE Tenth Anniversary Committee and the Black Student Association (BSA), contains cultural, historical and educational contributions from 1776 through 1960. Harriet Tubman, the woman who helped many slaves to freedom through the Underground Railroad, and such jazz musicians as Louis Armstrong and Duke Ellington are included.

The second volume, dedicated to the BSA at SIUE, deals with 1960 to the present. "This will go into the times when unrest was beginning and when a black movement pushed for civil rights," Mrs. Cook said. "It also includes the struggle that black students have had here at SIUE and their problems in and around East St. Louis."

Along with Mrs. Cook of St. Louis, two other student members of the BSA were part of "It's Been a Long Time Coming." Lorenzo Neil Buford of Alton and Ismael Lateef Ahmad of St. Louis helped prepare the publication.

Rei Harrell, a graduate student in psychology at SIUE, did artwork for the book. Copies of "It's Been a Long Time Coming" are available on request and free of charge at SIUE from the Black Student Association, University Center and Student Activities Office.

Two cameras, two lenses, a flash unit and a pair of sunglasses were stolen from the auto of Jerry Bruns, 241 Holiday Mobile Home Park, it was reported during the weekend. The loss was estimated at \$776.

Monday, April 26.

St. Elizabeth in Granite City starts the vacation after sessions on Wednesday, April 14, and will return at the regular class hours on Tuesday, April 20.

St. Mary's-St. Mark School in Venice will be dismissed after classes on Friday, April 9, and return to school at the regular hour on Tuesday April 20.

## 4-H youth plan public workshop

Madison County 4-H youth are inviting the public to attend a workshop on county government emphasizing land use.

The program will be held Thursday, April 8, beginning at 7:30 p.m. in the Madison County Courthouse, Edwardsville, court room number three.

That evening the youth will present and make decisions on three fictitious land issues. The audience will have the opportunity to be landowners, county board members or city officials.

The Madison County 4-H Federation, sponsored by the Cooperative Extension Service, is holding this educational program to help 4-H'ers and the public better understand the land use phase of county government.

## Riverfront water, sky spectacle

A "spectacle" to celebrate the American Revolution Bicentennial will take place on July 4, 1976, at the St. Louis riverfront.

To be held in the shadow of the Gateway Arch in the Jefferson National Expansion Memorial Park, the Bicentennial water and sky program will feature aerobatic pilots, sky divers, a water show, patriotic music, oratory and a one-hour fireworks finale.

Commencing at 6 p.m., the festivities will begin with the national anthem, followed by an air show featuring military jet aircraft, stunt pilots performing intricate maneuvers, a wing walker reminiscent of the barnstorming era, and a five-man free fall parachute demonstration, with the jumpers landing in the park area.

At 7:45 p.m., a water show on the Mississippi River will display the talents of metropolitan area water skiers performing feats that will include human pyramids, a water ski ballet and kite-flying skiers towed from speedboats.

At 8:15 p.m., the St. Louis Symphony Orchestra will perform a concert of American music, and at 9 p.m. a sky-filling fireworks display will be fired from barges in the Mississippi River.

The event will be open to the public at no charge.

## Honorable gets liaison post

Benjamin Honorable, Venice, was appointed liaison officer between the Venice Town Board, the public and the office of Revenue Sharing in the Department of the Treasury in regards to civil rights and minority group problems.

The appointment was made at the Town Board meeting last week.

The federal revenue sharing law contains a strong non-discrimination requirement for recipient governments.

The requirement applies to the use of revenue sharing funds in employment and in the providing of services by participating governments. In other township business, the board approved installation of a fire hydrant in Eagle Park Acres at a cost of \$82.

A discussion was held on the purchasing of sanitary trucks and other equipment for the township.

BENJAMIN HONORABLE

Attending the meeting were Christ Pashoff, supervisor; auditors Ed Gray, Albert Topal, Earl Mosley and James Woodrome.
